

Ballade

by François Villon

I know flies in milk
I know the man by his clothes
I know fair weather from foul
I know the apple by the tree
I know the tree when I see the sap
I know when all is one
I know who labors and who loafs
I know everything but myself.

I know the coat by the collar
I know the monk by the cowl
I know the master by the servant
I know the nun by the veil
I know when a hustler rattles on
I know fools raised on whipped cream
I know the wine by the barrel
I know everything but myself.

I know the horse and the mule
I know their loads and their limits
I know Beatrice and Belle
I know the beads that count and add
I know nightmare and sleep
I know the Bohemians' error
I know the power of Rome
I know everything but myself.

Prince I know all things
I know the rosy-cheeked and the pale
I know death who devours all
I know everything but myself.

The Legacy, the Testament, and Other Poems François Villon, Peter Dale, 1973

Complete Poems François Villon, 1994 François Villon was the last of the great medieval poets as important in his own more limited sphere as Chaucer or Dante His fame surpasses that of any other medieval French lyricist in spite of the modest quantity uneven quality and often repellent subject matter of his work His poems are largely autobiographical and are rich in their descriptions of thefts fights nocturnal prowling imprisonment and exile However as Barbara Sargent Baur points out when Villon's work is good it is very good indeed unforgettable His two major works are the *Lais* a series of bequests in anticipation of his prudent departure from Paris and *Testament* which is about his primary topic himself There have been many translations of Villon's work into many languages including English but this is the first edition of the whole of the corpus utilizing a re-reading of all the manuscript sources and presenting for each poem a single source text with all emendations accounted for It is also the first annotated English version based on the best text principle and respecting both Villon's meaning and his metrics A modern edition of the French texts is presented beside the English on facing pages In an extensive commentary Sargent Baur identifies the poet's literary and historical allusions as well as place names legacies and biographical data
