Guardian Angel From Heaven So Bright
Watching beside me to lead me aright
Fold thy wings round me O guard me with love
Softly sing songs to me Of heav'n above

Chorus

Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child
Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child

Angel so holy Whom God sends to me
Sinful and lowly My guardian to be
Wilt thou not cherish The child of thy care?
Let me not perish My trust is thy pray'r

Oh may I never forget thou art near
Keep thou me ever in love and in fear
Waking and sleeping In labor and rest
In thy sweet keeping My life shall be blest

Lyrics from Heaven Dele Orco O. F. Mauat, 2004-04 **The Legacy of Indigenous Music** Yu-hsiu Lu, Oskar Elschek, 2021-09-27 This book shares essential insights into how indigenous music has been inherited and preserved under the influence of the dominant mainstream culture in Asia and Europe It illustrates possible ways of handing down indigenous music in countries and regions with different levels of acceptance toward

indigeneity including Taiwan the Philippines Malaysia Turkey the Czech Republic Slovakia the Near and Middle East Caucasus Mountains etc Given its focus the book benefits researchers who are interested in the status quo of indigenous music around the globe The macro and micro perspectives used to explore related issues problems and concerns also benefit those interested in regional ethnomusicology **Remember Me to Harlem** Langston Hughes, Carl Van Vechten, 2007-12-18 Langston Hughes is widely remembered as a celebrated star of the Harlem Renaissance a writer whose bluesy lyrical poems and novels still have broad appeal What's less well known about Hughes is that for much of his life he maintained a friendship with Carl Van Vechten a flamboyant white critic writer and photographer whose ardent support of black artists was peerless Despite their differences Van Vechten was forty four to Hughes twenty two when they met Hughes and Van Vechten's shared interest in black culture lead to a deeply felt if unconventional friendship that would span some forty years Between them they knew everyone from Zora Neale Hurston to Richard Wright and their letters lovingly and expertly collected here for the first time are filled with gossip about the antics of the great and the forgotten as well as with talk that ranged from race relations to blues lyrics to the nightspots of Harlem which they both loved to prowl It's a correspondence that as Emily Bernard notes in her introduction provides an unusual record of entertainment politics and culture as seen through the eyes of two fascinating and irreverent men **African Americans and the Bible** Vincent L.

Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Heaven's Lessons Steve Sjogren, 2013-02-18 If you'd asked me who God is on December 9 the year of my accident I would have been able to give you a fairly cohesive but theoretical answer A day later all of that changed A simple surgery went horribly wrong Steve Sjogren died on the operating table He encountered a heavenly world where he felt infinite peace And then he had to come back back to a physical reality filled with pain and disability and an endless line of tests The drama of dying suddenly paled in comparison to the trauma of living Sjogren could not face this new existence with his same old comfortable understanding of God I had minimized God Sjogren says Somehow over time he had become fairly predictable like he could be outlined fully grasped and contained in a neat set of mere ideas Now I saw that he apparently wasn't all that impressed with my cool little notebooks One day in heaven followed by hundreds in agony forged a deeper and stronger faith than Sjogren could have crafted on his own In *Heaven's Lessons* Sjogren shares his experiences and the life-changing ways they have affected his perspective on success suffering and the mysteries of God Watch the trailer here <http://www.youtube.com/watch?v=5l4jugXqiBU>
