Macarthur And The Philippines:

Douglas MacArthur, the Philippine Years Carol Morris Petillo, 1981 *Macarthur and Defeat in the Philippines* Richard Connaughton, 2001-09-10 In this judicious portrait of a courageous general and deeply flawed man commonly ranked as either one of the world's greatest generals or greatest examples of cowardice military historian Connaughton seeks out the truth between these extremes Digging into MacArthur's personal life and political relationships as well as the strategic play leading up to the Japanese attack this is a fascinating study of the crisis of leadership as well as a focused study of one of the pivotal moments in WWII A powerful terrible story told in exacting detail Kirkus STARRED **MacArthur in Asia** Hiroshi Masuda, 2012-10-05 General Douglas MacArthur's storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country's future president Emanuel L Quezon In 1935 he became Quezon's military advisor a post he held after retiring from the U S Army and at the time of Japan's invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan's surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In *MacArthur in Asia* the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general's staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur's and the region's history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation *Return to Victory* James P. Duffy, 2021-03-16 General Douglas MacArthur's bloody campaign to defeat die hard Japanese forces and liberate the Philippines I shall return General Douglas MacArthur promised the Filipino people following the Japanese invasion and occupation of the Philippines in spring 1942 The people there believed MacArthur's vow and even Americans were stirred by his dramatic pledge Now two and half years later MacArthur was ready to fulfill his promise the liberation of the Philippines was about to begin It would not be an easy campaign The more than 7 000 islands of the Philippine archipelago were the key to taking down the Japanese Empire and the Imperial forces were prepared to sacrifice every man and every ship to prevent MacArthur from regaining control of them Covering both the strategic and tactical aspects of the campaign through the participation of its soldiers sailors and airmen as well as its commanders James P Duffy leads readers through a vivid account of the nearly year long bloody campaign to defeat over a quarter million die hard Japanese defenders in the Pacific theater *Return to Victory* is a wide

ranging dramatic and stirring account of MacArthur's epic liberation of the Philippines *MacArthur and the Philippines* G. C. Skipper, 1982 Recounts the history of General MacArthur's obsession with retaking the Philippines from the Japanese from the Clark Field bombings of 1941 until the destruction of Manila in 1945 *MacArthur and Wainwright* John Jacob Beck, 1974 **Representative Speeches of General of the Army Douglas MacArthur**, 2001-01-01 Memorable Quotations from Public Statements By General MacArthur I Shall Return The well known words I shall return while not made in a public address by General MacArthur deserve mention here among some of the General's better and lesser known remarks After leaving the Philippines March 12 1942 MacArthur made his way to Australia where he was pressed by reporters for a statement He issued the following Statement The President of the United States ordered me to break through the Japanese lines and proceed from Corregidor to Australia for the purpose as I understand it of organizing the American offensive against Japan a primary object of which is the relief of the Philippines I came through and I shall return MacArthur mentioned later that he made the famous remark casually enough but it became a psychological rallying point for the Filipinos and for many Americans When American forces and MacArthur returned to the Philippines in October 1944 the General's first words spoken into a microphone were People of the Philippines I have returned By the grace of Almighty God our forces stand again on Philippine soil It would be difficult to exaggerate the importance of the words I shall return and MacArthur's prestige with the Philippine people during the years 1942-44 For this book it was decided to include the compilation of the public addresses and in the case of each address to reproduce the full text The selection of addresses was limited to those which appear to have received widest attention and discussion *The MacArthur Highway and Other Relics of American Empire in the Philippines* Joseph P. McCallus, 2010-04-30 It has been more than a century since the American conquest and subsequent annexation of the Philippines Although the nation was given its independence in 1946 American cultural authority remains In order to locate and lend significance to the relics of American empire Joseph McCallus retraces the route Gen Douglas MacArthur took during his liberation of the country from the Japanese in 1944 and 1945 While following MacArthur's footsteps he provides a historical and geographical account of this iconic soldier's military career accompanied by a description of the contemporary Philippine landscape McCallus uses the past and the present to explore how America influenced the country's political and educational systems and language as well as the ramifications of the continued U.S. military presence and the effects of globalization on traditional Filipino society He examines the American influence on its architecture and introduces to the reader the American expatriate business community people who have lived in the Philippines for decades and continue to help shape the nation *The MacArthur Highway and Other Relics of American Empire in the Philippines* is an absorbing look at how American military intervention and colonial rule have indelibly shaped a nation decades after the fact **Under MacArthur in Luzon, Or, Last Battles in the Philippines** Edward Stratemeyer, 1930 *Tin Pan Alley and the Philippines* Thomas P. General MacArthur's Speech Before Congress, Thursday, April 19, 1951 Douglas

MacArthur,2011-04 **The Philippines Campaign of 1944-1945** Charles River Charles River Editors,2018-02-21 Includes pictures Includes a bibliography for further reading Includes a table of contents I came through and I shall return General Douglas MacArthur As American and Filipino troops were in the process of being defeated in the Philippines on the night of March 12 1942 General Douglas MacArthur his family and closest advisors were smuggled out of the Philippines on PT boats From there they surged across the black ocean to Mindanao and were picked up by American B 17 bombers They stealthily flew to northern Australia a dangerous flight over Japanese held territory and at Adelaide on March 18 1942 that MacArthur met the assembled press and told them I came through and I shall return The words would go down in history and MacArthur would eventually fulfill the vow In the wake of the campaign Japan occupied the country and went on to expand their territory in the Pacific while at the same time destroying the American presence in that region but by the spring of 1943 American military planners had begun to create a plan to dislodge Japan from east and southeast Asia To do so parts of the Philippines were considered main strategic points in the potential Allied attack in the Pacific The end goal of the Allied plan was an invasion of the Japanese home islands in which heavy aerial bombardment would precede a ground assault In order for this to occur Allied forces would have to occupy areas surrounding Japan with China adding to Luzon the largest island in the Philippines and Formosa a large island off the coast of China to create a triangle from which they could launch their bombers The Allied advance across the Pacific was based on this 1943 plan with General MacArthur and his forces moving to the north through New Guinea then Morotai Island and then to Mindanao which was the southernmost major island in the Philippines chain At the same time Admiral Chester Nimitz sent his fleet through the central Pacific where they engaged Japanese forces at the Gilbert Marshall Marianas and Palau Islands en route to Mindanao As the Allies advanced American strategists became embroiled in a discussion over whether to stick to the 1943 plan or whether to focus their efforts on seizing Formosa from which they would be able to create a supply link to China and would also be able to cut Japanese

communication lines to the south By the time the campaign started Japan was on the defensive but as they would prove in other places like Iwo Jima and Okinawa Japanese soldiers would act fanatically before admitting defeat or surrendering During this second major Philippines campaign an estimated 330 000 Japanese died and only a bit more than 10 000 were willing to be taken prisoner In fact some Japanese soldiers engaged in guerrilla warfare on the Philippines well after the campaign had ended and even after Japan had formally surrendered prompting the Japanese emperor to personally make a visit and intervene to end the fighting The Philippines Campaign of 1944 1945 The History of MacArthur's Return and the Allied Liberation of the Philippines chronicles the campaign from the start to its aftermath Along with pictures of important people places and events you will learn about the campaign like never before [Fighting for MacArthur](#) John Gordon,2011-10-15 Fighting for MacArthur is a welcome addition to the scholarship on the Pacific War Gordon makes extensive use of the U S Army Navy and Marine Corps archives and interviews with veterans of the Philippine campaign This is a well written engaging treatment of the steadily deteriorating position of the defenders in the Philippines Michigan War Studies Review For the first time the story of the Navy and Marine Corps in the 1941 42 Philippine campaign is told in a single volume Drawing on a rich collection of both U S and recently discovered Japanese sources as well as official records and wartime diaries Gordon chronicles the Americans desperate defense of the besieged islands Gordon offers updated information about the campaign during which the Navy and Marines fighting in what was largely an Army operation performed some of their most unusual missions of the entire Pacific War He also explains why the Navy's relationship with Gen Douglas MacArthur became strained during this campaign and remained so for the rest of the war As a result of Gordon's extensive primary source research Fighting for MacArthur presents the most complete account of the dramatic efforts by elements of the Navy and Marine Corps to support the U S Army's ill fated defense of the Philippines *Under Macarthur in Luzon* Edward Stratemeyer,2023-07-18 A gripping first hand account of General Douglas MacArthur's campaign to liberate the Philippines during World War II Written by celebrated children's author Edward Stratemeyer this book offers readers a vivid and insightful portrait of one of America's most important military victories This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
