Western Political Thought J. S. McClelland, Dr J S McClelland, 2005-07-15 A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia Written with students of the history of political thought in mind the book traces the development of political thought from Ancient Greece to the late twentieth century focuses on individual thinkers and texts includes 40 biographies of key political thinkers offers original views of theorists and highlights those which may have been unjustly neglected develops the wider themes of political thought and the relations between thinkers over time *Political Thought From Machiavelli to Stalin* E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition *The Structure of Political Thought* Charles N. R. McCoy, 2017-07-05 Originally published in 1963 this classic book is a rethinking of the history of Western political philosophy Charles N R McCoy contrasts classical medieval principles against the hypotheses at the root of modern liberalism and modern conservatism In Part I The Classical Christian Tradition from Plato to Aquinas the author lays the foundation for a philosophical structure capable of producing constitutional liberty Part II The Modern Theory of Politics from Machiavelli to Marx attempts to show beginning with Machiavelli the reversal and destruction of the pre modern structure postulated in Part I McCoy stresses the great contributions of Aristotle to political thought found in his more familiar Ethics and Politics but also includes key insights drawn from Metaphysics and Physics These contributions are developed and perfected McCoy argues by Augustine and Aquinas Two other important features include McCoy's epistemological insights into Plato's work that will be new to many readers and the author's juxtaposition of traditional natural law with the modernized theory of natural law The modern account of autonomous natural law in McCoy's view helps explain the totalitarian direction of key aspects of modern political thought This classic volume on the origins of modern

philosophical thought remains a standard in the field *A HISTORY OF POLITICAL THOUGHT* MUKHERJEE, SUBRATA, RAMASWAMY, SUSHILA, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman s cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a de ontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory Readings in Classical Political Thought Peter J. Steinberger, 2000-01-01 Designed to include all of the texts from Presocratics through Machiavelli likely to be read in an undergraduate course on classical political thought this anthology has at its core generous selections from Plato and Aristotle Building on this core is a sufficiently diverse and substantial selection of texts from other writers including Thucydides and the Sophists to allow for inquiry into the variety of Classical Greek approaches to politics as well as into Roman Medieval and Renaissance developments of the classical tradition Preeminent translations and the editor s own thoughtful introductions further distinguish this unique anthology Western Political Thought Deepan Das, 2019-01-01 A text book of Political Science written by Dr Deepan Das Asstt Prof Deptt of Political Science R G Baruah College Guwahati as per the new Semester System of Degree Course of Dibrugarh University Guwahati University and North Eastern Hill University Cicero's Social and Political Thought Neal Wood, 1991-02-20 In this close examination of the social and political thought of Marcus Tullius Cicero 106 43 B C Neal Wood focuses on Cicero s conceptions of state and government showing that he is the father of constitutionalism the archetype of the politically conservative mind and the first to reflect extensively on politics as an activity *History of Political Thought* ,2007 **History of Political Thought** Raymond Garfield Gettell, 1924 **African American Political Thought** Melvin L. Rogers, Jack Turner, 2024-05-31 African American Political Thought offers an unprecedented philosophical history of thinkers from the African American community and African diaspora who have addressed the central issues of political life democracy race violence liberation solidarity and mass political action Melvin L. Rogers and Jack Turner have brought together leading scholars to reflect on individual intellectuals from the past four centuries developing their list with an expansive approach to political expression The collected essays consider such figures as Martin Delany Ida B Wells W E B Du Bois James Baldwin Toni Morrison and Audre Lorde whose works are addressed by

scholars such as Farah Jasmin Griffin Robert Gooding Williams Michael Dawson Nick Bromell Neil Roberts and Lawrie Balfour While African American political thought is inextricable from the historical movement of American political thought this volume stresses the individuality of Black thinkers the transnational and diasporic consciousness and how individual speakers and writers draw on various traditions simultaneously to broaden our conception of African American political ideas This landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to Black life In doing so African American Political Thought A Collected History transforms how we understand the past and future of political thinking in the West

Western Political Thought Brian R. Nelson, 2015-01-29 Written simply and directly but without sacrificing intellectual depth this widely acclaimed text explores the preeminent theorists of Western political thought from the pre Socratics to the contemporary era The author provides an in depth analysis of a limited number of major thinkers which allows for a richly detailed examination of each philosopher in historical context Western Political Thought Second Edition presents the fundamental terms ideas and dilemmas of Western political philosophy in a straightforward easy to understand manner It organizes the theorists historically explains basic concepts in depth and draws out and analyzes the implications of various political theories Moreover this cohesive volume employs an overarching theme examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy

Lineages of European Political Thought Cary J. Nederman, 2009-04 This book examines some of the salient historiographical and conceptual issues that animate current scholarly debates about the nature of the medieval contribution to modern Western political ideas

The Foundations of Modern Political Thought: Volume 1, The Renaissance Quentin Skinner, 1978-11-30 The two volumes of The Foundations of Modern Political Thought are intended as both an introduction to the period for students and a presentation and justification of a particular approach to the interpretation of historical texts Book Cover

[An Introduction to Pareto's Social and Political Thought](#) Giovanni Barbieri, 2025-09-01 This book analyses Pareto's social and political thought a hundred years after his death showing how the structure of the scholar's works is generally quite clear contrary to what is commonly presumed and how the maintenance of the social and political systems equilibrium represents Pareto's main research focus In particular the aim of this book is to demonstrate how the author considers the right middle path in the social economic and political arenas as the only way capable of ensuring social cohesion The book will be of interest to scholars and researchers of sociology sociological and political theory and political science

Modern Political Thought John Gingell, Adrian Little, Christopher Winch, 2002-01-04 Modern Political Thought A Reader is an excellent introduction to the key works of the major political thinkers from the English Civil War to the end of the 19th Century It draws together the most important parts of seminal works of political thought such as Hobbes Leviathan Locke's Treatises Rousseau's The Social Contract Mill's On Liberty together with substantial extracts from Machiavelli's The Prince and Marx's Capital Accessible introductions are provided for each thinker explaining their lives and works and placing

them in the historical context in which they worked and wrote
