

My Friend - Benjamin

Ben's favorite lessons at school are music, science and PE.

Ben loves being at the school football team, obtaining his Club and being a team sports master at school.

Out of school, Ben loves playing football for a local team, going to the cinema to watch films and playing with his friends, just like many other children.

My Friend is Deaf

How Can We Help?

We helped in class. Friends who are deaf may need instructions to be repeated, they may need checks on their understanding and reminders of the time they have left to complete activities.

When talking to friends, stand or sit in a place with good lighting, so that they can lip-read what you are saying.

Use your usual voice level. If a deaf person can't hear you out, it can be very uncomfortable for them if you raise your voice and it can seem as though you are shouting.
