Packing Grandma's China Lana M. Tatom, 2013-09-30 Somewhere along the way in life you start to listen to that little voice We are all on this journey together growing learning and changing As I stood in the kitchen of my dream home looking out on the still water of the pond I cried Warm salty tears streamed down my face as I told myself I could do this Just start with one box dont get overwhelmed Pack one box stay focused I started packing Grandmas china first As I packed the china set a flood of memories came of the countless times I had carefully wrapped up each piece and placed them into the box It was at that moment that I decided to write about this beautiful set of china all the experiences and lessons I have learned along my journey It is through my grandmothers journey that I have found my own strength and freedom Twenty years and thirteen moves later the china is the only set of dishes I own When was the last time you used your china What are you waiting for Dont leave it locked up waiting for a special occasion Make today the special occasion you have been waiting for In loving memory of my Grandma Veronica Billetz January 13 1922 December 13 2009 **From Darkness to Light**

discusses issues concerning widening participation Inside My Shadow Box Kerrie Bullard,2014-10-17 Inside My Shadow Box allows the readers to feel as if they are alongside the author as she writes of her many adventures as a child growing up in Sweetwater Texas as a bride and mother at seventeen years of age as a woman who suffered at the hands of family violence and a cheating husband as a police officer who was the first of her kind in the county where she worked as a police officer working on homicide cases and as a state investigator working on child deaths and in the FLDS raids that caused the arrest and imprisonment of Warren Jeffs The author allows you to feel some of her personal feelings during very sad and precious moments in her life as well as allowing you as the reader to understand her thoughts on unsolved cases There is no doubt that you as a reader will experience a variety of emotions while reading this book You will understand the human side of a police officer and state investigator and understand why sometimes although it seems there is enough to bring one to justice there just isn't It is the author's hope that after reading this book you will come away with a feeling that you know and understand the meaning of the book's title Inside My Shadow Box The shadow box reflects what is stored inside and what the author has written about are many things she has stored inside through the years of her life until the release of this book

Germany Bound Carol A. Baumheckel,2010-01-14 In 1975 when I was 17 years old I was sent to live with a family in Germany as an exchange student I had not asked for this opportunity Everyone filled my head with descriptions of the fascinating exciting time awaiting me When I arrived in Germany I felt abandoned with a strict older couple I didn't understand these people nor did they understand me In addition to having difficulty understanding the culture I quickly discovered my acquired language skills were woefully inadequate I took to smoking drinking alcohol and reading books as an escape I made friends as I attended the German High School the School for Women of the Land and evening classes German for Foreigners Through my new friends I entered the provocative world of pubs and discotheques I wrote home with overseas airmail in a time before e mail and cell phones It was a year of depression homesickness unhappiness and tears an experience which brought me closer to God *Eulba* Michele Duva,2015-06-23 Eulba a physicist and mathematician exploring modern theories on the universe is equally immersed in the myths of the Mayan culture She enjoys a unique romantic relationship with her boyfriend Beloved They are entangled in a relationship imbued with bliss love math myth and science which remarkably continues even after his ill fated death Through a series of life altering events Eulba shuttles between myth and science accepting the myths of the Maya and finally entering the myth itself through an act of self sacrifice at the end of the Mayan Long Count calendar She comes to understand that myth and science mirror each other while representing the same reality from different vantage points Nature remains the same while our beliefs and knowledge change Eulba and Beloved's everlasting unbounded love becomes an underlying powerful creative force that permeates everything embracing both the Mayan myths and parallel universes **Finding Flamenco** Stephany Borges,2019-11-06 In her teens Stephany Borges saw her first flamenco show at Los Flamencos de la Bodega in North Beach San Francisco From

the first note of the flamenco guitar and the first throaty cry of the singer she knew she had found a world of music and dance that thrilled her to the core She then studied with the legendary Isa Mura and Ernesto Hernandez until her mother put a stop to it because dancers rarely made a decent living Borges chose another career path teaching English and creative writing At around sixty she retired from teaching at a California university sold her house in Northern California and moved to New Mexico Though much rehearsed and carefully orchestrated the reality of leaving her job her community and her home in the redwoods to live a new life in the high desert was not easy And then unexpectedly she found flamenco It never occurred to her that her abiding love of dance would be resurrected at this stage in her life In Finding Flamenco she shares the stories of her adventures and passions telling her tales of loss travel friendships relationships and so much more
