My Grieving Soul Wayne Eggleston, 2002-05-01 *Walking with Miss Zib* Richard D. Tobin, 2022-03-09 The title *Walking with Miss Zib* came from emotions I experienced during a three year period succeeding my wife's Ellen's death from Alzheimer's disease We met when I was fifteen and she was sixteen Try and visualize what a loss that was for me It changed my life forever It's not an easy task to go on without her as you can imagine The suffering remained intense penetrating deep into my soul Contemplating my anguish it's clear to me now that the pain was from the soul not the body After a great deal of reflection I conclude Ellen's body had Alzheimer's disease her soul didn't Our souls communicated directly circumventing her body with Alzheimer's disease two souls connected for over sixty seven years As a result Ellen knew me till her last day on earth Focusing on my grieving and putting into words the manner in which I survived I will provide a true account of my experience with grief over a lifetime Covering from the age of nineteen to the passing of Ellen revealing my most inner emotions each time One needn't have a medical or scientific background like sporting a PhD to write about their emotions while suffering through a heartbreaking life experience All one requires is courage to reveal their true feelings and eagerness to help others I walk with Miss Zib's spirit guiding me home and end with a quote taken from a headstone in Ireland which I find so grand Death leaves a heartache no one can heal love leaves a memory no one can steal *Duly Noted* S.L. Hudson, 2013-03-01 John Duly was an average man with little to live for or so he thought until the events in his life drove him to evaluate his own self worth of living or dying As a struggling alcoholic John failed to acknowledge even his greatest achievements His heroic actions in World War II were downplayed by his lack of confidence The friendships he made were underscored by his feelings of self pity and insignificance It wasn't until he met a young woman that his life was transformed into a soul searching event He started to question his feelings his weaknesses He started to gather the pieces of his past Would they explain the reasons for his shattered stability as a man or would they only drive him deeper into his lonely persona ***The Psalms, Prayers of Many Moods*** Ronald Quillo, 1999 The book of Psalms NSRV version arranged with a prosaic explanation of each psalm alongside the text of the psalm Includes questions for reflection and suggestions for prayer Not exclusively Catholic Makes the psalms accessible for personal prayer *The Sorrow and Starlight* Caroline Peckham, Susanne Valenti, 2025-09-28 All stars must fall Bloody lost broken We live to fight another day But with so much stolen from us can the fates ever twist in our favour again My sister and I have been torn apart by shadows and despair and now we each stand alone Our sorrow is spun like a web trapping us tight and I fear our enemies will soon come to feast upon our souls But if I have my way the merciless sky will have dealt us its final fortune It's time for us to take back the power that's been ripped from our grasp and turn the tide of this war All stars must fall and all Phoenixes must rise Long live the Savage Queens This is a dark bully romance don't go expecting a sweet school for magic with friends around every corner Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18 where only the strongest prevail
