Newsday **The Film That Changed My Life** Robert K. Elder, 2011-01-01 The movie that inspired filmmakers to direct is like the atomic bomb that went off before their eyes *The Film That Changed My Life* captures that epiphany It explores 30 directors love of a film they saw at a particularly formative moment how it influenced their own works and how it made them think differently *Rebel Without a Cause* inspired John Woo to comb his hair and talk like James Dean For Richard Linklater something was simmering in me but *Raging Bull* brought it to a boil *Apocalypse Now* inspired Danny Boyle to make larger than life films A single line from *The Wizard of Oz* Who could ever have thought a good little girl like you could destroy all my beautiful wickedness had a direct impact on John Waters That line inspired my life Waters says I sometimes say it to myself before I go to sleep like a prayer In this volume directors as diverse as John Woo Peter Bogdanovich Michel Gondry and Kevin Smith examine classic movies that inspired them to tell stories Here are 30 inspired and inspiring discussions of classic films that shaped the careers of today's directors and in turn cinema history My Life as a Mankiewicz Tom Mankiewicz, Robert David Crane, 2012-05-08 The son of famed director and screenwriter Joseph L Mankiewicz and nephew of *Citizen Kane* screenwriter Herman Mankiewicz Tom Mankiewicz was genuine Hollywood royalty This book is an autobiography of his life **In Search of La Grande Illusion** Nicholas Macdonald, 2013-11-08 This is an extended analysis of the film from different perspectives The first half is largely a discussion of the cinematic technique with key sequences analyzed shot by shot The second half approaches the film from many other angles including its history the critical reception Renoir's life and career and film theory e.g. film in relation to music A case is made that Renoir's career was inconsistent especially after *La Règle du jeu* but also during the 1930s And rather than emphasizing the humanist anti-war thrust of *La*

Grande Illusion the film is approached as a work of art that is deeply expressive cinematically *My Music, My Life* Ravi Shankar,2023-07-04 With stunning new photographs and a new final chapter detailing Ravi Shankar's hope for the preservation of Indian classical music this updated edition of *My Music My Life* profiles an extraordinary man In his own words Shankar describes his transformation from a young traveling dancer to a Grammy Award winning internationally known musician An autobiography a history of Indian classical music and a manual on how to play the sitar this book is about music as a both a lifestyle and an art It embodies Ravi Shankar's unique approach to his craft *My Life as a Filmmaker* Satsuo Yamamoto,2017-01-03 A riveting autobiography of Yamamoto Satsuo 1910-83 one of the most important and critically acclaimed postwar Japanese film directors **My Life With the Stars** Maximilian S. Simcovitch,2022-08-25 My entire life has been an exuberant roller coaster ride with the most fantastic stars professionally and socially After forty years as a motion picture and television producer *My Life with the Stars* captures all those wonderful and ebullient moments of hobnobbing and intermingling with luminaries such as the Beatles Clint Eastwood Elvis Frank Sinatra Bob Dylan The Rolling Stones Judy Garland Marlon Brando Bette Davis Sandy Koufax Orson Welles Johnny Cash and many other legendary and celebrated celebrities This memoir shares with you numerous exhilarating events humorous scenes jubilant situations and spontaneous wild happenings that you only wish or dream about The stars come down to earth and freely express their unrestrained feelings natural emotions and unaffected sensibilities demonstrating that they can be just as human as you and I especially behind the scenes **When Paris Sizzled** Mary McAuliffe,2016-09-15 *When Paris Sizzled* vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era's good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life *My Life- My War- World War 2* Stanley B. Loomis Sr.,2010-09-30 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don't really care how many people are killed nor how many families are losing a father mother or brothers

or whole families and their relatives Sometimes it is necessary to start a war by a peaceful nation against countries that are harming and have the publically displayed their intentions to extend their borders by taking land from established countries land and people This I would consider declaring a war to be the only necessary solution to the problem but still a war with people getting maimed and killed In World War One Germany was the problem once again lust for power I wasn't even thought of at that period of time in fact I hadn't even arrived on the scene at that point of time But think about it for a moment there's not one inch of land that has increased in size in those thousands of years of civilization and wars I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains It gave us young kids a reason to become killers hesitate for a second and you're dead Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population It is most certainly a true statement
