My Life And Times Octave Ten 1953 1963:

My Life and Times: Octave ten, 1953-1963 Compton Mackenzie, 1963 **My Life and Times** Compton Mackenzie, 2003
This is the final volume in this Compton MacKenzie's autobiography. It brings the author to his eightieth birthday in 1963.

Twentieth Century Fiction George Woodcock, 1983-04-01 *Unspeakable* Rachel Hope Cleves, 2020-12-08 The sexual exploitation of children by adults has a long fraught history. Yet how cultures have reacted to it is shaped by a range of forces, beliefs, and norms like any other social phenomenon. Changes in how Anglo-American culture has understood intergenerational sex can be seen with startling clarity in the life of British writer Norman Douglas (1868-1952), who was a beloved and popular author, a friend of luminaries like Graham Greene, Aldous Huxley, and D. H. Lawrence, and an unrepentant and uncloseted pederast. Rachel Hope Cleves's careful study opens a window onto the social history of intergenerational sex in the nineteenth and twentieth centuries, revealing how charisma, celebrity, and contemporary standards protected Douglas from punishment until they didn't. *Unspeakable* approaches Douglas as neither monster nor literary hero, but as a man who participated in an exploitative sexual subculture that was tolerated in ways we may find hard to understand. Using letters, diaries, memoirs, police records, novels, and photographs, including sources by the children Douglas encountered, Cleves identifies the cultural practices that structured pedophilic behaviors in England, Italy, and other places Douglas favored. Her book delineates how approaches to adult-child sex have changed over time and offers insight into how society can confront similar scandals today, celebrity and otherwise. *The Church and Literature* Ecclesiastical History Society. Summer Meeting, Ecclesiastical History Society. Winter Meeting, 2012. A wide-ranging and impressive collection which illuminates the enduring relationship between the Church and literary creation. Sexual Blackmail Angus McLaren, 2002-11-04 Sexual blackmail first reached public notice in the late eighteenth century when laws against sodomy were exploited by the unscrupulous to extort money from those they could entrap. Angus McLaren chronicles this parasitic crime, tracing its expansion in England and the United States through the Victorian era and into the first half of the twentieth century. The labeling of certain sexual acts as disreputable, if not actually criminal, abortion, infidelity, prostitution, and homosexuality, armed would-be blackmailers and led to a crescendo of court cases and public scandals in the 1920s and 1930s. As the importance of sexual respectability was inflated, so too was the spectacle of its loss. Charting the rise and fall of sexual taboos and the shifting tides of shame, McLaren enables us to survey evolving sexual practices and discussions. He has mined the archives to tell his story through a host of fascinating characters and cases, from male bonders to designing women, from badger games to gold diggers, from victimless crimes to homosexual outing. He shows how these stories shocked, educated, entertained, and destroyed the lives of their victims. He also demonstrates how muckraking journalists, con men, and vengeful women determined the boundaries of sexual respectability and damned those considered deviant. Ultimately, the sexual revolution of the 1960s blurred the long, rigid lines of respectability, leading to a rapid decline of blackmail fears. This

fascinating view of the impact of regulating sexuality from the late Victorian Age to our own time demonstrates the centrality of blackmail to sexual practices deviance and the law **My Life and Times** Compton Mackenzie, 1963 **The Contemporary Review** , 1971 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Writers H - Z.** Daniel Lane Kirkpatrick, 1991
