The Bolivian Revolution and the United States, 1952 to the

Present James F. Siekmeier,2011 A study of United States Bolivian in the post World War II era Explores attempts by Bolivian revolutionary leaders to both secure United States assistance and to obtain time and space to develop their policies and plans Provided by publisher **Catholics and Political Violence in the Twentieth Century** Lucia Ceci,2024-10-14 Catholics and Political Violence in the Twentieth Century presents a historical reconstruction of the ways in which Catholics have justified the recourse to political violence during the twentieth century a period marked by major wars nationalisms decolonization ideological clashes and episodes of genocide Legitimation processes are particularly complex when this violence is not endorsed by the state and perhaps used against it Depending on perspective the protagonists of this radical form of collective action may be seen as terrorists or freedom fighters Written by a leading historian of contemporary Catholicism this book examines a series of case studies from different parts of the world selected because of the central role played by the Catholic religion They range from Northern Ireland to the Basque Country from the Philippines to Colombia and from Mexico to Rwanda It highlights how theological sources paradigms of martyrdom and symbols of the Christian tradition have provided a catalogue of reasons to give moral value to violence and promote it in the name of God By looking at the history of Catholicism in global terms and adopting a transnational perspective Catholics and Political Violence in the Twentieth Century sheds a critical light on the themes that are crucial to understanding the relationship between religion and violence It will appeal to scholars and students working and studying in the fields of Modern and Contemporary History Religious Studies Terrorism Studies Cultural and Global Studies Intellectual History and the History of Political Thought

"You Say You Want A Revolution?" Babka, Susie Paulik,Procario-Foley, Elena, Yocum, Sandra,2019-05-22 **Church and Politics in Latin America** Dermot Keogh,1990-06-18 Complex and profound changes have been taking place in the Latin American Catholic Church in the 20th century which have often been misunderstood and misrepresented This is a collection of essays written by scholars working in the fields of history political science sociology law and theology

Liberation, Method and Dialogue Roberto S. Goizueta,2018-06-27 This book analyzes the theological method of liberation theologian Enrique Dussel and by comparing it with the meta method of Bernard Lonergan establishes a paradigm for international theological dialogue The author suggests that Dussel s non reductionist understanding of liberation and Lonergan s understanding of the subject as subject provide a methodological foundation for critical dialogue between Latin American and North American theologians The methodological maturation of liberation theology rehearsed in this study suggests how the insights of Latin American theology demand the development of an indigenous form of North American theology of liberation Religion and Politics in Latin America Daniel H. Levine,2014-07-14 This book explores the

transformations in religion in conjunction with political change Professor Levine suggests highlights the dynamic and dialectical interaction between religion and politics in general and addresses the more universal problem of relating thought to action Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Book Review Digest** ,1975 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher
