Len Gasparini

My Life My Views:

My Life, My Times, My Poems John Anthony Banfield, 2009-01-29 John's life started at the beginning of World War Two when he was evacuated from London as a baby to various homes in the South of England. Some were very good homes but others were a nightmare.

My Life, My Choices Mary Ann Burkley Wojno, 1997 Written from the student's perspective, this book presents a forum in which students openly share and/or write in their journals their feelings and concerns related to how they look at themselves, others, and life.

Living My Life Emma Goldman, 2006-04-04 Anarchist, journalist, drama critic, advocate of birth control, and free love. Emma Goldman was the most famous and notorious woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of, and later disillusionment with, Lenin's Bolshevik experiment, and more. Sounding a call still heard today, *Living My Life* is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics. Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era.

My Story, My Life, My Reflections Martin Tay, 2021-08-16 This book will set you thinking about the great self-trap which most of us are unwittingly caught in. How can one get out of this bondage? Can Singapore qualify to be a World Marathon City? Do you know there are at least two Heritage trees at the East Coast Park, Singapore? What is the most important thing in this life? The author describes how his life relates to some of the key points in his reflection. For example, would he choose a different lifestyle if he could get back?

The Beginning of the End of My Life: My Battle with Leukemia & Other Things Ed Rennie, 2005-11-08 This book tells the story of what really happens when battling a very serious disease, in this case leukemia. It tells about the human reaction of the author and his wife when told by an oncologist, Mr. Rennie, you have prolymphocytic leukemia, and then being told on a cancer telephone hot line that you may have only three months to live. It translates in human, detailed, non-medical terms such things as the hours spent in leather recliners receiving IVs of chemotherapy and other drugs, too numerous to count; getting stuck with needles ten times to find a vein; sometimes confounding interactions with doctors, nurses, and insurance companies; and nearly shaking to death one morning in the leather recliner. It also tells some funny stories like Miss Blabbermouth in the surgeon's waiting room and the time the author mooned an oncologist. It also exposes the hopefully outdated poor bastard with cancer syndrome. Finally, it totals up some interesting things such as number of needle sticks, hours in an IV chair, CT and PET scans, bone marrow extractions, and the amount of money that the disease has cost, so far billed versus paid. It is also a legacy book in that it tells many of the unforgettable lessons learned while growing up in a blue-collar sports-minded neighborhood in the guts of Philadelphia. It tells about a dad with two very separate and distinct personalities: one a very bad drunk dad and one an outstanding good dad.

and a perfect mother loving to the very end It outlines the authors two older brothers and two younger sisters and their important roles in the family a strong one to this day all of whom volunteered to be stem cell donors It describes the authors wives warmth understanding and stoic battle alongside of her husband Above all this is a good news book one which is intended to inform as well as bring a few knowledgeable smiles to those who have been through similar experiences and even bigger smiles to those who havent
