My Life With The Tsar Other Poems:

My Life with the Tsar & Other Poems Susan Firer, 1979 **Contemporary American Poetry** Lloyd M. Davis, 1985
Lists over 5 200 titles of books published by American poets between 1973 and 1983 *Notable American Women with Czechoslovak Roots* Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role **Encyclopedia of Bohemian and Czech-American Biography** Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history **Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education** Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters

and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates

Sisters' Tragedy, with Other Poems, Lyrical and Dramatic Thomas Bailey Aldrich,2019-12-12 Thomas Bailey Aldrich's *The Sisters Tragedy with Other Poems Lyrical and Dramatic* is a collection that masterfully intertwines lyrical depth with dramatic narrative reflecting the complexities of human emotions and relationships The titular poem a haunting exploration of sibling rivalry and tragic consequences is emblematic of Aldrich's skillful use of imagery and meter The collection embodies characteristics of the American literary renaissance showcasing Aldrich's affinity for both Romanticism's emotional intensity and the emerging Realist movement's focus on gritty truths all while maintaining an accessible elegance in his verse Aldrich an influential figure in 19th century American literature was not only a poet but also a novelist and editor contributing significantly to the cultural milieu of his time His background in the dynamic literary world of New England coupled with personal experiences of loss and moral dilemmas deeply informs his writing These elements enable him to transcend mere thematic exploration driving a profound emotional resonance through his character portrayals and narrative structure particularly evident in *The Sisters Tragedy* This collection is highly recommended for readers who appreciate eloquent poetry that delves into the darkness of familial bonds as well as enthusiasts of American literary history Aldrich's innovative style and emotional candor offer a compelling insight into the human psyche making *The Sisters Tragedy with Other Poems* an essential read for anyone seeking to understand the intricacies of love loss and the tragic dimensions of life

Beyond the Sea of Beer Miloslav Rechcigl Jr.,2017-11-09 This is a comprehensive history of immigrants from the historic lands of the Bohemian Crown and its successor states including Czechoslovakia and the Czech Republic based on the painstaking lifetime research of the author The reader will find lots of new information in this book that is not available elsewhere The title of the book comes from a popular song of the famous Czech artistic duo Voskovec and Werich who described America in those words when they lived here reflecting on their love for this country It covers the period starting soon after the discovery of the New World to date The emphasis is on the US although Canada and Latin America are also

covered It covers the arrival and the settlement of the immigrants in various states and regions of America their harsh beginnings the establishment of their communities and their organization A separate section is devoted to the contributions of notable individuals in different areas of human endeavor including Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic The Cechs Bohemians in America some one hundred years ago Poetry by American Women 1975-1989 Joan Reardon,1990-12 Lists the volumes of some 1 565 women who have published poetry in America since the base volume came out in 1979 Those who have qualified for inclusion have published at least one volume during the years 1975 1989 excluding audio visual works mixed genre foreign language editions broadsides a **International Who's Who in Poetry 2004** Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets
