the Lost Generation Fitzgerald was at heart a moralist struck by the nation's shifting mood and manners after WWI Placing him among Progressives such as Charles Beard Randolph Bourne and Thorstein Veblen David Brown reveals Fitzgerald as a writer with an encompassing historical imagination *Bewilderments of Vision* Oliver Tearle,2014-06-01 According to Oscar Wilde the primary aim of the critic is to see the object as in itself it really is not Through a series of close and often unusual readings this book endeavours to develop Wilde's remark into a detailed and creative theory of reading It focuses on a series of neologisms from writing of the period **Speculative Time** Paul Crosthwaite,2024-01-30 Speculative Time American Literature in an Age of Crisis examines how a climate of financial and economic speculation and disaster shaped the literary culture of the United States in the early to mid twentieth century It argues that speculation's risk laden and crisis prone temporalities had major impacts on writing in the period as well as on important aspects of visual representation The conceptions of time and especially futurity arising from the theory and practice of speculation provided crucial models for writers and other artists aesthetic intellectual and political concerns and strategies The attractions and dangers of speculation were most spectacularly apparent in the period's pivotal economic event the Wall Street Crash of 1929 The book offers an innovative account of how the speculative boom and bust of the Roaring Twenties affected literary and cultural production in the United States It situates the stock market gyrations of the 1920s and 1930s within a wider culture of speculation that was profoundly shaped by but extended well beyond the brokerages and trading floors of Wall Street The early to mid twentieth century was a speculative time an age characterized by leaps of economic political intellectual and literary speculation and the notion of speculative time provides a means of understanding the period's characteristic temporal modes and textures as evident in work by figures including F Scott Fitzgerald John Dos Passos Nathan Asch William Faulkner Federico Garcia Lorca James N Rosenberg Margaret Bourke White Archibald MacLeish Christina Stead Claude McKay Richard Wright and Ralph Ellison *Shell Shock, Memory, and the Novel in the Wake of World War I* Trevor Dodman,2015-09-09 Shell Shock Memory and the Novel in the Wake of World War I explores the narrative traces subaltern faces and commemorative spaces of shell shock in wartime and postwar novels by Mulk Raj Anand Ford Madox Ford Mary A Ward George Washington Lee Ernest Hemingway F Scott Fitzgerald and Christopher Isherwood This book argues that World War I novels serve as an untapped source of information about shell shock and renews our present understanding of the condition by exploring the nexus of shell shock and practices of commemoration Shell shock novelists testify to the tenaciousness and complexity of the disorder write survivors into visibility and articulate the immediacy of wounds that remain to be seen This book helps readers understand more fully the extent to which shell shock continues to shape and trouble modern memories of the First World War **The Book Review Digest** ,2007 *Burning Man* Frances Wilson,2025-08-22 Shortlisted for the James Tait Black Prize An electrifying revelatory new biography of D H Lawrence with a focus on his difficult middle years Never trust the teller wrote D H Lawrence trust the tale Everyone who knew him told

stories about Lawrence and Lawrence told stories about everyone he knew He also told stories about himself again and again a pioneer of autofiction no writer before Lawrence had made so permeable the border between life and literature In *Burning Man* The Trials of D H Lawrence acclaimed biographer Frances Wilson tells a new story about the author focusing on his decade of superhuman writing and travel between 1915 when *The Rainbow* was suppressed following an obscenity trial and 1925 when he was diagnosed with tuberculosis Taking after Lawrence s own literary model Dante and adopting the structure of *The Divine Comedy* *Burning Man* is a distinctly Lawrentian book one that pursues Lawrence around the globe and reflects his life of wild allegory Eschewing the confines of traditional biography it offers a triptych of lesser known episodes drawn from lesser known sources including tales of Lawrence as told by his friends in letters memoirs and diaries Focusing on three turning points in Lawrence s pilgrimage his crises in Cornwall Italy and New Mexico and three central adversaries his wife Frieda the writer Maurice Magnus and his patron Mabel Dodge Luhan Wilson uncovers a lesser known Lawrence both as a writer and as a man Strikingly original superbly researched and always revelatory *Burning Man* is a marvel of iconoclastic biography With flair and focus Wilson unleashes a distinct perspective on one of history s most beloved and infamous writers
