My Moby Dick:

My Moby Dick William Humphrey,1979 *Moby Dick* Herman Melville,1902 **Moby-Dick** Herman Melville,2009-06-16 This American masterpiece is a profound inquiry into character faith and the nature of perception and is now available in a Penguin enriched eBook classic **MOBY-DICK; or, THE WHALE** Herman Melville,2023-05-02 Call me Ishmael Some years ago never mind how long precisely having little or no money in my purse and nothing particular to interest me on shore I thought I would sail about a little and see the watery part of the world It is a way I have of driving off the spleen and regulating the circulation Whenever I find myself growing grim about the mouth whenever it is a damp drizzly November in my soul whenever I find myself involuntarily pausing before coffin warehouses and bringing up the rear of every funeral I meet and especially whenever my hypos get such an upper hand of me that it requires a strong moral principle to prevent me from deliberately stepping into the street and methodically knocking people s hats off then I account it high time to get to sea as soon as I can This is my substitute for pistol and ball With a philosophical flourish Cato throws himself upon his sword I quietly take to the ship There is nothing surprising in this If they but knew it almost all men in their degree some time or other cherish very nearly the same feelings towards the ocean with me **Call Me Ishmael** Patrick Shea,2012-07-09 In the summer of 2008 Brooklyn elementary school teacher and musician Patrick Shea set two goals for himself to read Moby Dick and to write a song every day for two months Those two goals quickly merged to become to beginning of the Call Me Ishmael project Three years later Shea had written recorded and blogged about all 135 chapters of Moby Dick plus the epilogue This book contains the lyrics to all 136 songs from the project The book also includes an introduction to the project as a whole and an afterword for each volume of songs written by the author Patrick Shea s songs are deeply insightful responses to Melville s masterpiece They illuminate the power of Moby Dick and enrich our experience of that remarkable novel Shea understands that at its heart Moby Dick is an orchestral work Its chords resonate throughout Shea s lyrics Bill Kelly President of the CUNY Graduate Center **See It Feelingly** Ralph James Savarese,2018-10-26 Ralph James Savarese showcases the voices of autistic readers by sharing their unique insights into literature and their sensory experiences of the world thereby challenging common claims that people with autism have a limited ability to understand language to partake in imaginative play and to generate the complex theory of mind necessary to appreciate literature
