Dad! David Mulford, **What Cloud Is My Mommy In?** Kim Vesey, 2019-06-18 Experiencing loss whether sudden or expected is extremely challenging at any age For children this time is not only scary but also can be overwhelming and sometimes lonely A little turtle loves doing fun things with his mommy that include flying a kite But his world is turned upside down after his mother suddenly falls ill and goes to the hospital one day When the turtle s father tells him she has gone to heaven to live with God the turtle must somehow learn to live without her The turtle misses his mommy so much While he wonders if she is living in a cloud his grandmother and others help lead him through all of his feelings as he moves through the first year following her death and learns that it is okay to cry laugh and be happy and forever love his mommy with all his heart In this beautifully illustrated and touching tale a young turtle learns how to deal with loss and grief after his mother suddenly dies and leaves him believing she is watching over him from her heavenly cloud This book provides numerous recommendations for adults supporting the grieving child These include suggestions for honoring memories creating tangible remembrances and working through shared grief in a gentle and supportive way My Justice Patricia A. McKnight, 2011-03-23 This amazing story of survival will capture you from Prelude to Ending It will shock and disturb the deepest parts of your being In it you will walk the path of a little girl so utterly destroyed by those entrusted with her care You will feel her strength to survive as the towns people around her ignored the child s cry Trecia Ann will allow you into her thoughts her exasperating fears that haunt her soul Trecia Ann is an adorable little girl with bright blue eyes and long brownish blonde hair At the age of five the sweet kindergarten child is filled with joy and innocence Her mother spends time each morning preparing her child for school with braids in her hair and a kiss on her cheek to start her day Her older brother is the second greatest person she knows He is only 18 months older but in her eyes he is her hero and her best friend Then on one cold December night however her life would change in an instant The cold of the winter wind would not be as chilling as the rush of fear through her body After spending a wonderful weekend celebrating her fifth birthday with her father and grandparents the last happy memory would be her grandmother s hug as she said goodbye returning the young children to their mother and pulling away as they ran up the walkway to their door As she went rushing inside to search out her mom and tell her about the amazing birthday presents she carried under her arms the little girl would stop dead so fast with fear that she almost stumble over her own two feet There sitting on the old style 1960 s turquoise colored couch was the devil himself In that brief second her hairs on the back of her neck froze and the rush of fear that shot through her soul was colder than the winter wind blowing around outside Trecia s mother came walking out of the kitchen to welcome her daughter with a hug but as she stepped towards her mother she was shaken by the huge thick hands of evil reaching out for her She stood

between her mother's legs grabbing hold for protection Then her mom spoke words that would haunt her forever Trecia Ann honey this is going to be your new Daddy Her dad was wonderful and loving but this man had eyes so cold they shined like steel and as he reached for her the temperature dropped and she unconsciously shook with terror Two months later her life would be changed forever This devil that dominated their house would control every moment of her day and terrorize each of her nights This man would degrade beat stalk taunt molest and rape this girl for the next twelve years The mother she loved would no longer care if her beautiful daughter rotted in his sadistic attacks Trecia would be denied any medical care for the filth that ate away at her skin She would never receive any dental care or be provided with even a toothbrush The school the towns people and even the police would ignore but whisper about the ugliness of this child Her school mates just children would tease or turn away The once shining bright eyes of a child now carried only pain and loneliness It is only after years of healing that Trecia Ann has now chosen to remove the coal stained hand that trapped and held her silent The horrific secrets of her past and the behaviors of a trained abused child are now being shared It is my own childhood of nightmares that I use to speak out for the millions of survivors who carry the terrifying traumas of their past We all deserve to have roses in our garden of life and it is by talking that we can truly help to educate and protect those who cannot speak out and protect themselves
