A Granny Is For Life, Not Just Christmas Maureen Reil, 2014-11-18 How far would you go to secure the wedding of your dreams Would you go to the extreme of hiring a homeless old woman from the local city streets to pretend to be the granny you never had for the whole Christmas period What if your only chance to pay for your nuptials meant you had to play host to a proper family Christmas That meant you had to spin a web of secrets and lies without becoming tangled up and feeling trapped Whilst having the best intentions at heart for everyone to simply have a wonderful Christmas time Esme is getting extra visitors to stay over this Christmas whether she likes it or not so her cup is full pity it is not with mulled wine to help her through it This of course will lead to a farcical and fabulously fun Yuletide yarn as it turns into a chaotic Christmas The comedic situations in this fast paced Christmas romp were to become the most stressful thing Esme could have imagined for a festive fiasco Could Esme lose her own home her fianc and put the most precious person of all in peril as a result This is a British feel good fiction novel to count your blessings with on this coming holiday season Will poor old Esme get the happiest ever after in the end if she does manage by some miracle to pull off the perfect Christmas Would Esme still think it a blessing if her wishes were granted There is only one way to find out read the book [Summertime](#) Raffaella Barker, 2013-12-25 A sparkling comedy of rural life high and low Very very funny Independent I loved it I couldn't put it down Raffaella Barker is so good at drawing her characters and making them likeable that within about ten pages you know them intimately and a few pages later you are almost as concerned about them as you are your real friends Very very well done Daily Express After one year of being buffered from single motherhood by her boyfriend David Venetia Summers suddenly finds her life unravelling as he is sent to the Brazilian jungle and she is left alone in Norfolk As chaos reigns in her home and her three children run wilder than ever she finds her life further complicated by a bad mouthed green parrot a burgeoning fashion career designing demented cardigans and her brother's outrageous wedding As emails languish unanswered phone lines cut out and long distance relationships prove both vexing and bewildering life and love take some very unexpected turns
