Somewhere along the way in life you start to listen to that little voice We are all on this journey together growing learning and changing As I stood in the kitchen of my dream home looking out on the still water of the pond I cried Warm salty tears streamed down my face as I told myself I could do this Just start with one box don t get overwhelmed Pack one box stay focused I started packing Grandma s china first As I packed the china set a flood of memories came of the countless times I had carefully wrapped up each piece and placed them into the box It was at that moment that I decided to write about this beautiful set of china all the experiences and lessons I have learned along my journey It is through my grandmother s journey that I have found my own strength and freedom Twenty years and thirteen moves later the china is the only set of dishes I own When was the last time you used your china What are you waiting for Don t leave it locked up waiting for a special occasion Make today the special occasion you have been waiting for In loving memory of my Grandma Veronica Billetz January 13 1922 December 13 2009
