

**Early comment on
My People
is the Enemy
William
Stringfellow**

"The publication of MY PEOPLE
IS THE ENEMY at this time
is a case of President Johnson's
focus on the problems of
poverty. It is very auspicious."

Wesley Morris
U. S. Senator from Oregon

"William Stringfellow is not only a
prophet for our times but he has
been able to imagine how America
might actually address themselves
to the contemporary situation.
To speak here is to take the streets
through the heartbreak, misery,
and complexities of our day
America with feeling and faith.
Stringfellow in the streets is to
show the Christ who has
emerged to be loved the reality
of our human existence and
as this is the living Christ."

Rev. Dr. John R. Morris
Executive Director
The Ecumenical Society for
Cultural and Social Unity

"In MY PEOPLE IS THE ENEMY
William Stringfellow and his
people the Negroes who live
there. Stringfellow is a young
white lawyer and committed
spiritual leader who spent
seven years living and working
among the poor people of
Harlem, and is a witness of their
poverty and what deprivation
is one of the least I have ever
seen, concerned, understanding.
He is also an artist, a writer
of whose strength to witness
social justice in New York is
strong and offers an informed
and well-grounded approach of the
challenged role in the black world."

Paul Pickett
in Harper's Magazine

My People is the Enemy
an autobiographical polemic
William Stringfellow

My People Is The Enemy An Autobiographical Polemic

Jeffrey A. Mackey

My People Is The Enemy An Autobiographical Polemic:

My People is the Enemy William Stringfellow, 2005-08-01 It was to Harlem that I came from the Harvard Law School I came to Harlem to live to work there as a lawyer to take some part in the politics of the neighborhood to be a layman in the Church there It is now seven years later In what I now relate about Harlem I do not wish to indulge in horror stories though that would be easy enough to do In this extraordinary and passionate book William Stringfellow relates his deep concern with the ugly reality of being black and being poor As a white Anglo Saxon Mr Stringfellow does not try to speak for African Americans and Puerto Ricans in the Harlem ghetto but as a lawyer he graphically underlines the failure of the American legal system to provide equal justice for the poor And as a Christian who lived for seven years on what the New York Times called the worst block in New York City he challenges the reluctance of the churches to be involved in the racial crisis beyond the point of pontification My People is the Enemy William Stringfellow, 1966 American Religious Liberalism Leigh E.

Schmidt, Sally M. Promey, 2018-11-01 An enlightening look at the surprising connections between spirituality and progressive thought in the United States Religious liberalism in America is often associated with an ecumenical Protestant establishment This book however draws attention to the broad diversity of liberal cultures that shapes America's religious movements The essays gathered here push beyond familiar tropes and boundaries to interrogate religious liberalism's dense cultural leanings by looking at spirituality in the arts the politics and piety of religious cosmopolitanism and the interaction between liberal religion and liberal secularism Readers will find a kaleidoscopic view of many of the progressive strands of America's religious past and present in this richly provocative volume Christianity's American Fate David A. Hollinger, 2024-05-07 Tracing the rise of evangelicalism and the decline of mainline Protestantism in American religious and cultural life How did American Christianity become synonymous with conservative white evangelicalism This sweeping work by a leading historian of modern America traces the rise of the evangelical movement and the decline of mainline Protestantism's influence on American life In Christianity's American Fate David Hollinger shows how the Protestant establishment adopting progressive ideas about race gender sexuality empire and divinity liberalized too quickly for some and not quickly enough for others After 1960 mainline Protestantism lost members from both camps conservatives to evangelicalism and progressives to secular activism A Protestant evangelicalism that was comfortable with patriarchy and white supremacy soon became the country's dominant Christian cultural force Hollinger explains the origins of what he calls Protestantism's two party system in the United States finding its roots in America's religious culture of dissent as established by seventeenth century colonists who broke away from Europe's religious traditions the constitutional separation of church and state which enabled religious diversity and the constant influx of immigrants who found solidarity in churches Hollinger argues that the United States became not only overwhelmingly Protestant but Protestant on steroids By the 1960s Jews and other non Christians had diversified the nation ethnoreligiously inspiring more inclusive notions of community But by embracing a socially diverse and

scientifically engaged modernity Hollinger tells us ecumenical Protestants also set the terms by which evangelicals became reactionary An Ethic For Christians and Other Aliens in a Strange Land William Stringfellow, 2004-09-24 From An Ethic for Christians and Other Aliens in a Strange Land America is a fallen nation Americans exist in time in the era biblically called the Fall America is a demonic principality or conglomeration of principalities and powers in which death furnishes the meaning in which death is the reigning idol Enshrined in multifarious forms and guises it enslaves human beings exacts human sacrifices captures and captivates Presidents as well as intimidating and dehumanizing ordinary citizens Strong statements yes but timely in the biblical context which forms William Stringfellow's perspective of our contemporary situation Identifying America as a fallen nation with the parable of Babylon in the Book of Revelation not with Jerusalem the holy nation as Americans are naively and vainly wont to do Dr Stringfellow issues as trenchant an indictment of our society as has been made since Philip Wylie's Generation of Vipers Shockingly prophetic dismaying and sobering William Stringfellow's rigorous biblical theology will surely offend the self righteous But the citizen of Jerusalem alien in Babylon will welcome the bluntness and insight with which he speaks **A Nazareth Manifesto** Samuel Wells, 2015-06-15 A Nazareth Manifesto is an eloquent and impassioned ecumenical proposal for re envisioning Christianity's approach to social engagement away from working for the people to being with them Questions the effectiveness of the current trend of intervention as a means of fixing the problems of people in distressed and disadvantaged circumstances Argues that Jesus spent 90% of his life simply being among the people of Nazareth sharing their hopes and struggles therefore Christians should place a similar emphasis on being alongside people in need rather than hastening to impose solutions Written by a respected priest and broadcaster and renowned Christian ethicist and preacher Supported by historical contemporary exegetical and anecdotal illustrations

Notoriously Active—God in His World Jeffrey A. Mackey, 2020-02-27 People of God have for many centuries read devotional works along with holy Scripture especially during Advent and Lent Usually these are safe and spiritual somewhat poetic possibly and extremely devotional Here William Stringfellow's writings are brought to bear on Lent with the predictable responses of awe shock surprise conviction identity integrity and such There is no easy spirituality in Stringfellow He is straightforward radically biblical socially aware and spiritually disquieting Lent will never be the same A History of Religion in America Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration's impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60's counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history

students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history **Breaking Through the Plate Glass Window--Prophetic Fragments** Michael

Granzen, 2022-05-31 This is a selection of writings on themes of trauma and transformation hope and anguish in a time of reckoning The first section offers biographical fragments about life after the bulldozer runs you over How do you get up How do you live with others who don't understand How do you keep walking They draw upon life experiences in Boston Iona and New Jersey Faith is not so much about agreeing with doctrine but a dynamic active seeking questioning trust in God It includes both audacity and humility The second section draws upon fragments of historical reflection On Violent Innocence Mourning and Metanoia in New Jersey This is an exploration of the principality of white racism state based violence and exploitation of the poor It asks the question How did the Confederate flag get in the front window of the Presbyterian church on Lincoln's birthday Some of the white terrorism that happened at the Capitol is prefigured here Yet there is grace hidden in judgment We cannot heal from what we do not name The third section contains fragments of prophetic wisdom from Lorna Goodison Richard Fenn Mike Gecan Karen Hernandez Granzen and Archange Antoine Along with Traci West and Chris Hedges their voices are strong and true **Foolishness to Gentiles** Michael L. Budde, 2022-01-06 What happens to the

Gospel when you put other loyalties into positions of power in Christian life and practice You get deformations distortions and caricatures of Christianity killing in the name of love defense of worldwide systems of domination idolization of the nation instead of the membership in the global body of Christ and baptism of exploitative and destructive economic ideologies You get much of what world sees as contemporary Christianity in other words Too often however the inadequacies of contemporary Christian life especially in the United States are seen as separate issues in need of improvement or reform Foolishness to Gentiles invites readers to see the pathologies of the churches not as a series of disconnected problems but predictable outcomes of deep defects of Christian formation commitments and theology Having mortgaged so much of the integrity of the Gospel in the pursuit of imperial and national citizenship and having allowed the powers of race and capital to divide the unity of the church Foolishness to Gentiles calls Christians into deeper reflection repentance and redirection In a series of essays new and previously unpublished previously unpublished in English and published previously in specialized venues Foolishness to Gentiles opens doors to deeper theological and socio political reflection and some guideposts for more adequate practices of Christian discipleship in a variety of contexts and circumstances

My People Is The Enemy An Autobiographical Polemic: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. My People Is The Enemy An Autobiographical Polemic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the My People Is The Enemy An Autobiographical Polemic full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of My People Is The Enemy An Autobiographical Polemic eBooks, including some popular titles.

FAQs About My People Is The Enemy An Autobiographical Polemic Books

What is a My People Is The Enemy An Autobiographical Polemic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a My People Is The Enemy An Autobiographical Polemic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a My People Is The Enemy An Autobiographical Polemic**

PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a My People Is The Enemy An Autobiographical Polemic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a My People Is The Enemy An Autobiographical Polemic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
