Angels on Loan Carmen Belle White, 2013 Carmen Belle White has suffered human tragedy on an epic scale After an abortion in her late teens she endured four miscarriages plus the loss of a beautiful little baby son just days after birth These were her angels on loan as she came to call them but even they are only part of her remarkable story For more than thirty years Carmen was trapped in a private hell No one her parents her teachers least of all herself understood Gradually the truth emerged thanks to Harry her autistic son Harry's life changed instantly and dramatically when as an infant he had what should have been a routine MMR injection It became painfully apparent that Harry was an autistic child Carmen faced the supreme challenge of raising a boy with learning difficulties and behavioral patterns that were totally alien to those around them In the process it slowly dawned on Carmen that she herself had shared many similar sensory issues that would explain her own struggle In an amazing sequence of events and experiences Harry became the teacher that his mother had so sadly lacked His love and wisdom enabled both to discover each other and to take bonding to a whole new level *Angels on Loan* is an immensely personal story of mutual understanding and love It is a tale of triumph over mountainous odds and

that headed toward despair In *Breath of Life* Mia shares her story a journey through one girls life as she searched to find inner peace healing and forgiveness from a series of events she could never have anticipated including an unplanned pregnancy during her freshman year in college Her life changed forever and she faced years of emotional and physical torment anxiety inner chaos and confusion she simply could not manage This memoir narrates her journey of fear and hardship an inspirational story that communicates the power of the human spirit to overcome the darkness of life and to ultimately master ones emotions
