My Shadow Warrior:

My Shadow Warrior Jen Holling, 2005-08-01 Acclaimed author Jen Holling presents the stunning final novel in her sensual trilogy set against the windswept hills of Scotland about a trio of sisters with witchcraft and passion in their blood Rose the youngest of the MacDonell sisters is more concerned with her father's mysterious illness than with her impending marriage to her childhood sweetheart A gifted but frustrated healer she decides to beg help from William MacKay a reclusive laird who is renowned not only for his ferocity but also for his healing powers Denied entry to his fortress in the cold harsh mountains of the far northwestern highlands Rose uses cunning to force her way in and William is duly intrigued with this bold slip of a girl But securing his help may not be enough to save Rose's father For there is something darker at work in the glen something more powerful than William's and Rose's magic combined and only the soul deep passion that shadows their mutual desire can help their love prevail *Shadow Warriors: Resolution* Nathan B. Dodge, 2020-04-01 They were kidnapped teens taken to an alien world and forced to fight in someone else's war Cal and Letty are missing and the Horde appears to be massing a titanic fleet to attack Earth Tony Opi and Sasha rally together to lead the Alliance fleet in what may be both Molethan's and the Alliance's last stand Can the remaining members of crew Red 17 lead Alliance forces to one final victory *Shadow Warriors: Ambush* Nathan B. Dodge, 2019-01-31 They were kidnapped and forced to fight in an alien space fleet Cal Letty Tony Opi and Sasha were thrust together when they were kidnapped by the alien Molethan civilization and forced to become a fighting unit against The Horde the most vicious predatory enemy in the galaxy At first only Letty could get along with her fellow trainees and largely due to her efforts they became not only the top fighting crew in the Shadow Warriors but also a close unit bound together with love and support Thanks to Opi's amazing strategic thinking Letty's organizational skills Sasha's unparalleled weapons ability Tony's crack talent as a navigator and Cal's icy nerve as a battle leader they found a way to defeat a huge Horde invasion force But since Molethians don't fight their own battles the High Command put no credence in the story of a small Shadow Warrior force destroying an enemy fleet fifty times their size A bungling investigating committee wrongly and vastly underestimated the enemy casualty total and since the commanding officer T Kell suffered many losses she has been returned to the home world of Molethan and put on trial for incompetence The Shadow Warriors are called to testify in their commander's defense Can they save her career They'll need to do it quickly because The Horde has sent out a huge new invasion force If our heroes can't save their commander the Molethan civilization will surely be destroyed Even with Commander T Kell back in command can Opi and her crew pull off another miracle Meanwhile the incompetent High Command threatens to take over the defensive plans and Molethan's top navy commanders may snatch defeat from the jaws of victory *Shadow Warriors: Retaliation* Nathan B. Dodge, 2019-07-10 The Shadow Warriors are a proven force in galactic battle but a new threat looms Cal Letty Tony Opi and Sasha were thrust together when they were kidnapped by the Molethan civilization and forced to become a fighter crew to battle against The

Horde the most vicious predatory enemy in all the Milky Way galaxy At first only Letty could get along with the rest of them and they basically hated each other However due largely to Letty s efforts they became not only the top fighting crew in the Shadow Warriors but also a close family that love and support each other Due to Opi s amazing strategic thinking Letty s organizational skills Sasha s unparalleled ability as a weapons officer Tony s crack talent as a navigator and Cal s icy nerve as a battle leader they have found a way to defeat two major Horde invasions Opi already becoming the chief strategist for an entire wing of the Molethian space forces decides that an entirely new way of fighting Horde forces must be put in place Her audacious plan is to search a central volume of the Milky Way through which the Horde always travels discover the military bases they have no doubt established and destroy them all She is convinced that a huge base has been built by The Horde on the opposite side of the galaxy very near The Horde s own small galactic home the Dwarf Spheroidal Sagittarius Galaxy In the meantime a third Horde invasion of about 40 000 ships nears Molethan s home planet Using Opi s old strategies Molethian forces manage to destroy it but the new highly capable Horde fighters make this victory far more difficult In addition Tony is reported missing and presumed lost Grieving over Tony whom she loved Opi refuses to succumb to her grief immediately commissioning the search for the other Horde home bases in the Milky Way A search party finds the monstrous Horde base almost 70 000 lightyears across the galaxy Molethan appeals to the other Alliance systems and a major attack on the base is started with Cal the attack leader Things seem to be going well when suddenly in the midst of the battle a new enemy strikes heavily damaging not only Shadow Warriors fighters but also many of the Alliance carriers The fate of the battle hangs on a razor s edge Can the Alliance led by Cal Opi and the rest of their team manage to win over two opponents or are they destined to be destroyed by the combined forces of two enemies
