My Friend Mac:

Friends in High Places Frank James Unger, 2004-12 Joe Enzi and Mac are kindhearted senior widowers who've known each other longer than they can remember Bonded by love and longevity they share common friends at a nearby refuge called Caruso's Bowling Lanes From that societal headquarters the three pals embark on an implausible odyssey that rattles the calm of their quiet neighborhood on the northwest side of Chicago Under duress they agree to simultaneous surgeries and a series of twisting turning adventures begins FRIENDS IN HIGH PLACES is a warm and humorous story of unconditional friendship a characterization of three aging originals who are not grumpy old men **The Mighty Quinn's:** **Mac** Kate Hoffmann, 2015-11-01 No strings No tomorrow Just here and now Luke Mac MacKenzie has no past Orphaned at twelve he doesn't remember his real name or why his parents were on the run The name Aileen Quinn means nothing to him Now Mac wanders through the country as a pilot never settling down until he finds something or someone who stops him in his tracks After all she's been through Emma Bryant just wants a fling a hot man for a passionate night she'll never forget Preferably someone tall dark and really really hot Like Mac The problem is there's nothing casual about the heat between them or the bond that threatens them with something neither thought they could have a future **My Kingdom** Michael F. Donoghue, 2014-06-09 Daniel a British soldier has completed a deployment into India's North Western Frontier in the spring of 1914 He returns to London and the Army Reserves Daniel embraces a new life and career with his family until Britain declares war Daniel reports for duty and arrives in France with the British Expeditionary Force while the conflict is still a mobile war During the retreat from Mons Daniel's battalion receives orders to go into action The Irish are eager but the German Hammer appears unstoppable Although a small French village will become synonymous with his regiment's valour Daniel's wife Mary and sons Steven and David are in the dark without word of their loved one's fate Finally The Times publishes The Honour Roll Daniel's name is among the columns of those listed as Missing One uncertain word changes their lives forever This stirring epic chronicles the courage of a soldier and his family through the entire tragedy that becomes World War 1 From the home front and its hospital wards to the battle front and beyond if you read only one book to commemorate the Great War's centennial let it be My Kingdom Based on a true story **JHALACALM** Thomas Stuart, 2024-03-04 Are we alone in the universe The answer becomes apparent when Mac becomes the first to journey from Earth and the Milky Way and lands on a planet in the Andromeda galaxy where he meets the civilization that lives there They call their home Jhalacalm Mac's adventure begins with his ship's sarcastic computer Doc who somehow becomes sentient and as time goes by they become the best of friends Mac falls in love learns of another universe accessed by portals delivers secret plans to that other universe and becomes involved in a dangerous war that he knows nothing about With Doc's help he becomes a hero and a prince all the while meeting new people of different civilizations who become his newfound friends Mac's new life is only the beginning Lyrics, Dramas and Miscellaneous Pieces , 1875 *Lyrics, Dramas and*
