My Friends The Frog:

All My Friends Are Fast Asleep David Weinstone, 2017-09-05 Parents Magazine's Best Bedtime Story of 2017 From David Weinstone the popular children's musician and creator of the Music for Aardvarks program comes All My Friends Are Fast Asleep a rhythmic cheerily illustrated bedtime story sure to smooth the way to sleep for young insomniacs everywhere After tossing and turning in his bed a little boy embarks on a nighttime quest to find a cozy place to rest He visits one animal friend after another from a lark in its nest to a mole in its hole But while all the animals he meets are happily dozing off this tuckered out wanderer remains wide awake until he finally finds the perfect spot to lay his head **My Friend Gideon**

Heather S Lonczak, PhD, 2019-07-27 In My Friend Gideon a little girl named Becky dreams of having a pet of her very own When visiting a beautiful park Becky decides to adopt a lively little frog She names the frog Gideon and tries to create the perfect habitat for him As she considers what Gideon really needs to flourish Becky learns many valuable lessons about empathy and respect for wildlife In this poetic and brilliantly illustrated book children will be both touched and entertained as they join Becky in discovering the true meaning of friendship My friends the frogs James Marshall, 1991 Frog Kissing for Beginners Hanna Clarin, 2019-06-25 Johanna Lenn is an active successful lawyer in her late thirties who lives in Zurich and generally enjoys life Hiking with friends singing in a choir taking long bike rides traveling and work Life could be quite perfect if there wasn't this one black hole which she falls or is pushed into every now and then Jo is single Her best friend Klara's wedding is naturally another occasion for a free fall into the black hole and Jo bets with an equally single colleague that they would find partners within a year In the ensuing months she works her way through the methods of modern partner search studiously and unsuccessfully Speed flirting dating websites clubs visits at concerts or museums old fashioned set ups by friends Her dating spree leads her to a Porsche driver working his way through the Kama Sutra a likably huggable Saint Bernard with a not so likable attachment on the upper end of the leach a testosterone evaporating gym junkie many guys too shy to say hi or a couple therapist who doesn't believe in twosomeness and more When she increasingly questions whether there really is such a thing as eternal love or whether she has just fallen prey to a well advertised myth too many Jane Austen novels and rom coms or exaggerated expectations she meets Dr Mark Kinsey a man who knows what he wants Johanna But is he really what she wants Her better half Her soulmate The time has come for Johanna to decide what really matters in her life *My Friend Annabel Lee* Mary MacLane, 2021-05-19 In My Friend Annabel Lee Mary MacLane presents a captivating exploration of the psyche through a unique blend of lyrical prose and introspective narrative The book serves as both a tribute and a meditation on the bond between the narrator and her vividly imagined friend Annabel Lee drawing inspiration from Edgar Allan Poe's famous poem MacLane's confessional style is steeped in early 20th century feminist sentiments offering readers a glimpse into the complexities of female friendship loneliness and identity in a rapidly changing society The text reflects the author's introspective nature as she deftly weaves her emotional struggles with

broader existential themes creating a rich tapestry that invites both contemplation and self reflection Mary MacLane an American author known for her daringly candid writings emerged as a voice of her generation Her unconventional views on femininity and society not only garnered attention but also placed her at the forefront of early feminist literature Having confronted her own feelings of alienation and societal expectation MacLane s personal experiences deeply informed her portrayal of relationships making her work resonate with authenticity and emotional depth Readers seeking an introspective journey through the intricacies of friendship and self discovery will find My Friend Annabel Lee a compelling choice MacLane s masterful balance of between the personal and the universal makes this book essential for anyone interested in women s literature the evolution of narrative form and the timeless challenges of human connection Emotional Transition Vincent J. Interlande,2013-10 On his way to fifty Vincent Interlande thought he lived a normal life until the many pressures of that life took him down After thirty years his marriage ended in divorce blowing apart any sense that his life was well balanced and harmonious In the darkness of divorce his soul sank into despair and his mind began to reveal the emotional shadows that had eroded his life He began to discover that he wore a mask of his faults weaknesses and failures A shadow of the person he once was he knew that it was time to figure out who he really was It was time to live again Like others he faced trauma heartache disappointment and grief that threw his behavior and emotional health out of balance For Vincent balance was restored via the written word and music Emotional Transition is the product of his personal quest for understanding and sanity in a life that seemed devoid of both A collection of musings on the experiences that contributed to his failures and his hidden weak emotions it documents how he overcame it all after a traumatic event Through the use of detailed thought personal stories of humor as well as misfortune presented as symbolic poetry prose and story he seeks to inspire readers to become more aware of themselves as well The readings may seem like only a personal stories but if read by the individual reader s portraying of him herself with the content of this book they will gain insight into themselves This is the intent of Emotional Transition Vincent challenges the reader to walk in his shoes look in the mirror and then ask themselves What person is looking back at me and where is that life going from here *The Works of Jonathan Swift* Jonathan Swift,1841
