[Matty: An American Hero](#) Ray Robinson,1994-12-08 When all time pitching great Christy Mathewson died of tuberculosis in 1925 at the age of 45 it touched off a wave of national mourning that remains without precedent for an American athlete The World Series was underway and the game the day after Mathewson s death took on the trappings of a state funeral officials slowly lowered the flag to half mast each ballplayer wore a black armband and fans joined together in a chorus of Nearer My God to Thee Newspaper editorials recalled Mathewson s glorious career with the New York Giants but also emphasized his unstinting good sportsmanship and voluntary service in World War I The pitcher known to one and all as Matty or Big Six was as beloved for the strength of character he brought to the national pastime as for his stunning 373

career victories I do not expect to see his like again said his best friend and former manager John McGraw But I do know that the example he set and the imprint he left on the sport that he loved and honored will remain long after I am gone In Matty Ray Robinson tells the story of a man who became America's first authentic sports hero Until Mathewson Robinson reveals Americans loved baseball but looked down on ballplayers and other athletes as hard drinking skirt chasing ne'er-do-wells Deprived of real life role models millions of readers followed the serialized exploits of Frank Merriwell a fictional hero who excelled at sports from baseball to billiards and never drank smoke or swore Robinson shows how an eager public greeted Mathewson as a flesh and blood version of Merriwell from his first year at Bucknell University where he shone as star pitcher premier field goal kicker and class president Lured into the big leagues before he could graduate the tall handsome pitcher soon won over men women and children with his sense of fair play and his arsenal of blazing fastballs sweeping curves and infamously deceptive fadeaway pitches Robinson skillfully details the highlights of Mathewson's career including his showdowns against the great batters of his day and his encounters with the young Brooklyn Chicago Pittsburgh and St Louis teams Here are the six remarkable days in October 1905 when Mathewson became the only pitcher ever to hurl three straight shutouts in a World Series and the afternoon at West Point when he won 50 in a bet that he could throw 20 of his best pitches to exactly the same spot Robinson does not underplay Mathewson's occasional failings but the most surprising aspect of this fascinating portrait is just how close America's first Hall of Fame pitcher came to living up to his image Drawing on rare interviews press clips and long overlooked eyewitness accounts Matty brings baseball's golden age to life not only the great teams and the early superstars but the long train trips between games with cramped berths and no air conditioning the small town ballplayers let loose amidst big city vice and the two bit gambling that eventually led to the infamous Black Sox Scandal of the 1919 Series a scandal that might have escaped detection if the sportswriters in the press box with Mathewson had not been able to rely on his experienced eye for clues to how ballplayers might throw games Offering rare insight into the making of an early twentieth century American hero Matty is must reading for anyone who loves baseball

Double No-Hit James W. Johnson, 2012-04-01 The average pitcher has about a 000645 chance of throwing a no hitter In the spring of 1938 Cincinnati Reds rookie pitcher Johnny Vander Meer pitched two back to back The feat has never been duplicated which comes as no surprise to sports professionals and aficionados alike Decade after decade in one poll after another from Sport magazine Sports Illustrated and ESPN Vander Meer's consecutive no hitters turn up as one of baseball's greatest and most untouchable achievements *Double No Hit* offers an inning by inning account of that historic second consecutive no hitter accomplished during the first night game in New York City with the Cincinnati Reds facing the Brooklyn Dodgers in Ebbets Field James W Johnson sets the stage and assembles the colorful cast of characters Highlighting the story with recollections and observations from owners managers and players past and present he fills in the details of Vander Meer's accomplishment and his baseball career which never lived up to expectations heightened by his sensational

performance In the end Double No Hit brings to life a bygone era of the national pastime and one shining spring night June 15 1938 when a twenty two year old fireballing left hander with lousy control pitched his way into the top tier of baseball s record book
