politics of female identity She has gained critical respect in her own right but she also foreshadowed such novelists of manners with a satirical bent as Jane Austen and Thackeray *Life in St-Lucia* Shedrac Decaille, 2005-10-18 There was only one way this book could be written I had to go undercover and pose as a redneck At any moment my cover could have been blown placing my life in danger At the very least my Bloomingdales credit card could have been confiscated and my complete collection of Barry Manilow CDs destroyed In spite of these risks I persevered It was only after I made my way back to Yankee lines that I was able to write this book I still suffer from episodes of Post Traumatic Stress Syndrome in which I am chased by a giant killer crawfish Hopefully therapy medication and a liberal amount of Jack Daniel s will erase that demon from my subconscious
