My Last Busy Season:

My Last Busy Season Jerry Gorman, 2004 Simon Rockaway appears to be a topnotch CPA firm with glamorous clients in sports real estate and entertainment But look closely and you find its flamboyant leader Frankie Rockaway is a publicity seeking schemer and his inner circle of partners little more than street thugs embezzlers and corrupt hustlers What attracted a young and innocent Cody Gardiner to this firm Why do the partners treat him so well and what does he do when he finds out who they really are It all starts one summer on the rocky coast of Maine when Cody as a teen ager falls in love with the beautiful daughter of Kaptain Teal the legendary circus promoter Their plans to meet again are ruined but neither will ever forget the adventures they had or the promises they made Years later Cody marries Jessica Brilliant and desirous she stumbles upon an opportunity to make a fortune working on a secret project with Cody s ex boss the distinguished Harold Wilcox which puts the pair directly up against Simon Rockaway Can Jessica out smart Frankie Rockaway and his cronies while hiding her involvement from Cody And all the while can Cody keep his new secret relationship with the flirtatious and irresistible Sandy Munsen from Jessica Follow the dangerous but sentimental trail of three generations of the Gardiner family through the shadowy corners of America s boardrooms the back offices of big time sports and the magical folklore of the old European circus bands as Cody s and Jessica s separate worlds collide and explode in a whirlwind of love lust blackmail and revenge Forestry Recollections Carl Bleich, 2020-01-22 In 1925 a gold rush exploded in this isolated area of northwestern

Ontario A surge of gold seekers hastened to get to Red Lake With people flooding in the provincial government decided to establish a presence In 1926 the Department of Lands and Forests Ontario Forestry Branch set up bases throughout the region This historic book is produced through research mainly via a series of recollections from those who worked for the Forestry from 1926 to 1986 The stories are from forest firefighters pilots technicians supervisors conservation officers parks workers junior rangers and a safety officer Anyone who has visited or lived in this area will gain an appreciation of the history *Fashionable fictions. The planter's birthday* Theodore Edward Hook, 1840 **The Sound The Road Makes**

Steven E Meyer, 2025-07-17 Not only a wayward journey of living life and beating the odds this book is an inspiring romantic and sometimes clever venture through the grittiness of being human It s about surviving both the wilderness of the great outdoors and of the soul Just let the troubled kid grow out of it the doctors insisted Their misdiagnosis of a nerve condition trapped Steven inside his introverted world On the outside he became strong and fast but inside he only grew more inwardly Confined within the walls of his vivid dreamworld like a lit fuse his adolescent years were on fire leaving a trail of rebellion and breaking the rules from living harder than the loneliness and pain warring inside His life calmed but never tamed once he discovered the hunger of the blank page in his late teens While writing ignited his imagination to life it wasn t until in his mid twenties when a white puppy brought steady companionship into Steven s life As they began their 14 year journey of

roaming the open road Ghost grew into a beautiful dog and quite the ham Despite Steven's awkwardly social demeanor he crossed paths with wanderers loners and those searching for a place in this world misfits like himself adding adventure and romance to his own search of finding his place in this world Along the way Steven stumbled upon God The rules of religion couldn't hold him either finding himself instead wrestling with the creator of this universe more so than walking with Him He could never part with that daredevil spirit causing the second half of this book to be more thrilling than the first To write a book felt daunting because Steven had never written for anyone to read Ten years soared by and as the writing of it transformed into the greatest adventure of his life infused between the lines is a literary magic beyond him which occurs when a book and its writer merge into one Not only are some of the challenges and lessons learned the hard way of creating this book included in his memoir breathed into his story is what writing this book has burned into Steven's own heart
