Domestic Violence and Parental Substance Misuse Hedy Cleaver, Deborah Cleaver, Sukey Tarr, Don Nicholson, 2007-09-15 This book draws on a wide range of evidence to explore the facts about the relationship between substance misuse and domestic violence and their effect on children and examines the response of children s services when there are concerns about the safety and welfare of children Creating Love John Bradshaw, 1994-01-01 Why are so many of us at times completely

baffled by a relationship How can we think we know someone so well and admit in the end that we hardly knew that person at all Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship Why have so many people given up on love from the Prologue John Bradshaw s bestselling books and compelling PBS series have touched and changed millions of lives Now in *Creating Love* he offers us a new way to understand our most crucial relationships with our romantic partners and spouses with our parents and children with friends and co workers with ourselves and with God Bradshaw s compassionate approach shows that many of us have been literally entranced by past experiences of counterfeit love so we unknowingly re create patterns that can never fulfill us Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present And then he shows how we can open ourselves to the soul building work of real love and create healthy loving relationships where we can be fully ourselves in every part of our lives **Atlantic Reporter** , 1922 Missing Children's Assistance Act United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Juvenile Justice, 1984 **Children of Divorce** John H. Harvey, Mark A. Fine, 2004-04-12 Children of Divorce features excerpts of stories collected from hundreds of young people The narratives embrace such themes as despair chaos in the family and missing dads The volume paints a picture of the pain the hope and the resiliency shown by young adults while in the throes of divorce and in the years to follow These poignant narratives are framed by an analysis of the most recent divorce literature The book clearly demonstrates the value of

storytelling in helping people deal with major loss events in their lives The authors hope is that by examining these experiences we will gain a greater understanding of the effects of divorce and ultimately strengthen relationships in the future This book challenges the contention that most children will be irretrievably hurt by their parents divorce Presenting a mixture of young people s voices demonstrating the great variety of reactions to parental divorce it shows the strength and resilience many of these young people have learned in surviving the pain surrounding divorce in their families Emphasis is placed on how hope about the possibilities of having close relationships as well as a willingness to try to have stronger families in their own adult lives represent abiding motivations in this sample of young people Providing an overarching theoretical emphasis on the value of storytelling for people dealing with major losses the authors hope that this method of stressing the raw input of respondents will make the experiences more vivid and realistic to the reader *Encouraging Your Child's Spiritual Intelligence* Mollie Painton,2010-06-15 More and more children are expressing spiritual qualities and parents caregivers pediatricians teachers and therapists are increasingly taking notice of children s spiritual lives Mollie Painton Psy D a well known child therapist helps parents understand this phenomenon in the framework of spiritual intelligence By understanding this concept we can honor our children s gifts and develop our own spiritual intelligence along the way Any parent whose child has had an imaginary friend talked with a deceased relative or been receptive to the pain and emotion of others will find guidance and inspiration in *Encouraging your Child s Spiritual Intelligence* Dr Painton s thoughtful quizzes and advice provide added support and insight throughout the book Adults who have had their own spiritual experiences in childhood dismissed will rediscover their original spiritual connection and become valuable spiritual partners with their children *Songs of My Heart* Beshera,2015-03-11 I truly love God and all that He is with every part of me I hope that these Songs of my Heart touch and bless every heart who reads this book
