Forty two years and five books into her life Charlotte Dearborn abandons her noncommittal boyfriend and her sinking ship writing career and becomes an elementary school teacher Sure she s giving up her dream of being a famous novelist but in exchange she ll find a stable income job satisfaction and maybe even love At least that s how it d work if she were a character in one of her novels In real life she s busy coping with twenty yelling first graders a teacher s lounge full of nasty coworkers and a series of romantic misadventures that fall far far short of the real thing Charlotte s struggle to navigate the waters of a new career a new single life and the loss of her identity as a writer make *Second Draft of My Life* a funny compulsively readable gem From an author The Boston Globe applauded as very very good on the business of falling in and out of love it is part romantic comedy part manual for living and wholly triumphant *Food and Femininity in Twentieth-Century British Women's Fiction* Professor

Andrea Adolph,2013-04-28 In her feminist intervention into the ways in which British women novelists explore and challenge

the limitations of the mind body binary historically linked to constructions of femininity Andrea Adolph examines female characters in novels by Barbara Pym Angela Carter Helen Dunmore Helen Fielding and Rachel Cusk Adolph focuses on how women s relationships to food cooking eating serving are used to locate women s embodiment within the everyday and also reveal the writers commitment to portraying a unified female subject For example using food and food consumption as a lens highlights how women writers have used food as a trope that illustrates the interconnectedness of sex and gender with issues of sexuality social class and subjectivity all aspects that fall along a continuum of experience in which the intellect and the physical body are mutually complicit Historically grounded in representations of women in periodicals housekeeping and cooking manuals and health and beauty books Adolph s theoretically informed study complicates our understanding of how women s social and cultural roles are intricately connected to issues of food and food consumption **Soviet Life** ,1974
