My Life With The Pros:

The Making of Pro-life Activists Ziad W. Munson, 2010-07-15 How do people become activists for causes they care deeply about Many people with similar backgrounds for instance fervently believe that abortion should be illegal but only some of them join the pro life movement By delving into the lives and beliefs of activists and nonactivists alike Ziad W Munson is able to lucidly examine the differences between them Through extensive interviews and detailed studies of pro life organizations across the nation Munson makes the startling discovery that many activists join up before they develop strong beliefs about abortion in fact some are even pro choice prior to their mobilization Therefore Munson concludes commitment to an issue is often a consequence rather than a cause of activism *The Making of Pro life Activists* provides a compelling new model of how people become activists while also offering a penetrating analysis of the complex relationship between religion politics and the pro life movement Policy makers activists on both sides of the issue and anyone seeking to understand how social movements take shape will find this book essential

Works William Shakespeare, 1880 **Consistently Pro-Life** Rob Arner, 2010-07-01 *Consistently Pro Life* is a book about killing Specifically it takes up the question of when and under what circumstances is it morally justifiable for a Christian to take human life The murder of abortionist Dr George Tiller on Pentecost Sunday 2009 reignited the national debate over

abortion by focusing attention on the seeming hypocrisy of those who would kill to defend life But many times those who would condemn the killing of Dr Tiller would readily justify the killing of human beings in other circumstances This leads to the question What basis do we have to judge a specific act of violence as morally good or ethically justifiable in light of the gospel of Jesus Christ Rob Arner explores these issues and argues that the deliberate killing of any human being is incompatible with the moral life of a follower of Jesus Readers will discover in the witness of the ancient Christian church an example of how modern Christians might consistently apply gospel precepts toward questions of the taking of human life Through a new taxonomy that categorizes the ancient Christian witnesses according to individual issues such as abortion infanticide killing in war and the bloody Roman games Consistently Pro Life demonstrates that the early church consistently opposed the killing of human persons and suggests that the discipline and moral clarity of the ancient Christians on issues of violence can show us a new way forward in a time of polarizing culture wars Miguel Pro Marisol

popular sport in the United States today With so many famous players from the past and present some of whom achieved notoriety because of a persona they created there are fans who have also made a name for themselves by either their work and loyalty for their team or by creating an alter ego with respect to how they cheer or support their team Some have incredibly wild and outrageous outfits On game days some of these diehard fans take longer to get themselves ready for games than the players they cheer for The face paint the outrageous outfits the chants and cheers and the attention to detail are what make these fans unique During football season these diehard fans can be seen each weekend as they showcase

themselves in support of their team in front of hundreds of thousands of viewers worldwide In 1998 Visa sponsored a national contest to find the wildest most loyal and most intriguing fans for each team in the league The award was entitled The Visa Hall of Fans Award as fans were chosen from each team based on their submitted essays and photos Contestants had to explain why they should represent their respective team in the Pro Football Hall of Fame in Canton Ohio At the time a special wing in the Hall was created to honor these diehard fans Visa awarded plaques to the winners originally at the Hall and later in front of the hometown fans at each team s stadium The Hall of Fame displayed the plaques for a year until the new class of fans was selected and their plaques were displayed At that point the prior year s winners had their names placed on a permanent wall plaque in the Hall of Fans wing of the Pro Football Hall of Fame
