

The background of the book cover is a painting of a train in a forest. A steam locomotive is pulling a passenger car through a dense forest with trees in autumn colors. The train is moving along a track that curves through the landscape. The overall tone is warm and nostalgic.

My Micheline:

Motion Picture Classic, 1915 My Parents' Marriage Nana Ekua Brew-Hammond, 2024-07-09 Acclaimed children's author Nana Brew Hammond makes her highly anticipated return with this soaring and profound story about love and understanding told through three generations of one Ghanaian family. Determined to avoid the pain and instability of her parents' turbulent confusing marriage, Kokui marries a man far different from her loving philandering self-made father and tries to be a different kind of wife from her mother. But when Kokui and her husband leave Ghana to make a new life for themselves in America, she finds history repeating itself. Her marriage failing, she is called home to Ghana when her father dies. Back in her childhood home, which feels both familiar and discomfiting, she comes to realize that to exorcise the ghosts of her parents' marriage, she must confront them to enable her healing. Tender and illuminating, warm and bittersweet, *My Parents' Marriage* is a compelling story of family, community, class, and self-identity from an author with deep empathy and a generous heart.

Micheline's Three Conditions Rose Foley, Micheline Sheehy Skeffington, 2024-01-24 How was it possible for one woman, later joined by a handful of others, to overcome a large organisation and bring about a gender equality sea change in higher education in her country? This is the story of how the granddaughter of Ireland's most famous suffragette won a gender discrimination case for lack of promotion, the first such win in either Ireland or the UK, then donated her 70,000 award to five other women also passed over in that promotion round for their High Court case. It tells of the subsequent Micheline's Three Conditions Campaign, a four-year epic struggle filled with twists and turns to get the five women promoted. And then the final success. This is a fascinating and often funny account which will inspire others to take on injustice.

Displacements Angelika Bammer, 1994-12-22 Essays in this volume examine the effects of leaving one's native culture or experiencing the imposition of a colonising culture.

The Brazilian Henri Meilhac, Ludovic Halévy, 1987 Applause Books Two amorous actresses are out to capture the affections of a wealthy Paris producer. The wily Micheline spreads the rumor that Rafaella is being courted by a murderously jealous Brazilian. But her plot backfires when instead of cooling his passions, down the producer's interest heats up. Micheline is nonplussed when the tempestuous Brazilian suitor actually shows up at Rafaella's house. The mad improvisation which follows is a romp in the best tradition of door-slamming French bedroom farce.

Essence of an Idealist John P. Roach Jr., 2012-09 ESSENCE of an IDEALIST ESSENCE From the French word *esse* to be. To exist. If we exist, we have essence. When we exist, we have choices to make from the very moment we recognize our own existence. This book is about a person who chose to be an idealist, a person who set goals for himself at a very early age and achieved most of them without the need for money. Do not think it is easy to be an idealist. Certainly not in my case; those around you continually remind you to be more practical and advise you that your goals are neither realistic nor pragmatic. Do idealists fail? Of course they do, and some quit to blend in with everyone else. Others recognize their own failure, change direction, and try again and again until they succeed. This book is a true account of the author's quest to find his purpose in life.

A quest that contains so many failures and so many successes that one questions the trials of an idealist We tend to categorize idealists as crazy Don Quixote types charging at windmills to protect the chastity of his Dulcinea When in fact the true romantic recognizes that both author Cervantes and Don Quixote appearing as an old chivalrous knight in rusty armor truly understood the power of love The idealist in this true story seeks adventure at a very early age and even though he finds it he never stops seeking more challenging adventures The same is true for success Success so often is measured in dollars as so aptly put in Atlas Shrugged by Ayn Rand By mid life this author has become a millionaire and questions the materialistic rewards of success He concludes that the accumulation of dollars and materialism are not the answer to happiness for that which you own owns you Should success then be re defined Perhaps Success could be defined as happiness and only the happiness within you If you are truly happy you are successful This quest contains both successes and failures to find a purpose in life I m writing this while maturing in age and knowledge and if my life ends tomorrow it shall be said by my friends that I sought adventure success happiness and love and you can judge for yourself whether or not I found it
