The Box Wendy Tamis Robbins, 2021-05-25 Are you ready to find your way out of your box There is a moment when you realize your life is no longer your own You made it picture perfect You thought it would make you happy and whole You thought you could seal the walls tight and feel safe But the panic doesn t pass and the anxiety seeps in through every crack Your pain uses perfection to hide the unraveling But deep inside you still hear the whisper of a voice that s always been there calling to you promising that you were meant for more In The Box Wendy Tamis Robbins offers a window into the mental illness of an all star athlete Ivy League graduate and successful attorney At just 6 years old Wendy s first panic attack sparked a 40 year struggle with a variety of anxiety disorders generalized social and health eating disorders phobias intrusive and suicidal thoughts and dissociation Avoiding anything that could trigger her symptoms she retreats into a box to contain and hide her condition After years of living in the prison she originally constructed as her safe place Wendy is no longer willing to limit her life to accommodate her disorders Raw and powerful vulnerable and intimate The Box is both a triumphant memoir and an irresistible invitation It portrays a courageous journey to find the source of a debilitating disorder in order to find the power to overcome it Wendy s experience reminds us of the redemptive power of forgiveness and the healing power of love not just for others but for ourselves It is a story of courage that reframes mental illness sufferers as survivors a powerful portrait of a woman who refused to remain caged in a box of her making Now the invitation is yours if you are willing to accept it
