this daring insider's look at the curious Amish subculture of Pennsylvania Dutch Country Is the plain and simple life really so plain and simple How do the Amish live without cars Electricity NFL football The truth is they don't More than fifty million people have watched Lebanon Levi Stoltzfus in Discovery Channel's hit show Amish Mafia where he dispenses justice and keeps the peace among the seemingly quiet insular Amish people of Lancaster Pennsylvania Now he reveals what it's really like to be Amish Not the buggies bonnets and beards image the tight knit community has portrayed for hundreds of years to the relentless curiosity of outsiders The real deal day to day life the good and the bad all the dirty little secrets you're not supposed to know From Wi-Fi pleasure huts to prostitutes to marijuana and cocaine you'll never look at the Amish the same It isn't easy keeping your feet planted firmly in the 1800s when the rest of the world is centuries ahead Not even for the most God-fearing among us The Amish have their own unique way of doing everything and the lengths they will go to indulge in modern conveniences and hide their indiscretions will shock you What have you been dying to know How about what really happens when someone is shunned Or whether the Amish pay taxes Do they ever try to pass as English in other words non-Amish How rampant is illicit sex in such a repressed society Can individuals make themselves stand out despite the strict rules Why would the Amish take such risks when the punishment is eternal damnation Lebanon Levi blows the top off the buggy with this scandalous insider's exposé proving that even the Amish don't always practice what they preach *Three Minutes in Poland* Glenn Kurtz, 2014-11-18 The author's discovery of a brief 16mm film shot by his grandfather during a 1938 visit to his soon-to-be extinguished birthplace in Poland unfolds like a detective story Now the basis for the documentary *Three Minutes A Lengthening* Named one of the best books of 2014 by NPR The New Yorker and The Boston Globe When Glenn Kurtz stumbles upon an old family film in his parents' closet in Florida he has no inkling of its historical significance or of the impact it will have on his life The film shot long ago by his grandfather on a sightseeing trip to Europe includes shaky footage of Paris and the Swiss Alps with someone inevitably waving at the camera Astonishingly David Kurtz also captured on color 16mm film the only known moving images of the thriving predominantly Jewish town of Nasielsk Poland shortly before the community's destruction Blissfully unaware of the catastrophe that lay just ahead he just happened to visit his birthplace in 1938 a year before the Nazi occupation Of the town's three thousand Jewish inhabitants fewer than one hundred would survive Glenn Kurtz quickly recognizes the brief footage as a crucial link in a lost history The longer I spent with my grandfather's film he writes the richer and more fragmentary its images became Every image every face was a mystery that might be solved Soon he is swept up in a remarkable journey to learn everything he can about these people After restoring the film which had shrunk and propelled across the United States to Canada England Poland and Israel and into archives basements cemeteries and even an irrigation ditch at an abandoned Luftwaffe airfield as he looks for shards of Nasielsk's Jewish history One day Kurtz hears from a young woman who had watched the video on the Holocaust Museum's website As the camera panned across the faces of children she recognized her grandfather as a thirteen-year-old boy Moszek Tuchendler

of Nasielsk was now eighty six year old Maurice Chandler of Florida and when Kurtz meets him the lost history of Nasielsk comes into view Chandler's laser sharp recollections create a bridge between two worlds and he helps Kurtz eventually locate six more survivors including a ninety six year old woman who also appears in the film standing next to the man she would later marry Painstakingly assembled from interviews photographs documents and artifacts *Three Minutes in Poland* tells the rich harrowing and surprisingly intertwined stories of these seven survivors and their Polish hometown I began to catch fleeting glimpses of the living town Kurtz writes a cruelly narrow sample of its relationships contradictions scandals Originally a travel souvenir David Kurtz's home movie became the most important record of a vibrant town on the brink of extinction From this brief film Glenn Kurtz creates a poignant yet unsentimental exploration of memory loss and improbable survival a monument to a lost world

Generations Myriam Miedzian, Alisa Malinovich, 2013-09-03 This is the first book to show the sweeping change among American women in this century and to do so in an irresistible intimate and popular way Gloria Steinem The women in this landmark work of oral history are from diverse ethnic geographic and social backgrounds and they tell stories about all aspects of their lives from their professional and romantic experiences to sex discrimination and their own realized or unrealized aspirations As in the best oral history the stories these women candidly tell are vivid and often poignantly detailed We hear accounts of rural chore filled childhoods at the beginning of the century of contemporary teens without curfews of dates that began with a chat with father in the parlor of the sexual liberation of the 1960s of women who worked in factories during World War II of those who were pioneers in their professions and of women who today struggle heroically to balance the demands of marriage or single mothering work and children Sweeping in scope and yet rooted in the details emotions and dilemmas of everyday life the journey women have traveled over the century here becomes all the more dramatic the transformation they have undergone all the more remarkable *Generations* is a celebration of this transformation in all its complexity an embracing and vibrant family scrapbook that belongs to all American women *Generations* tells us both how far we have come and how far we have yet to go Ruth Sidel author of *Unsung Heroines* *Single Mothers* and *the American Dream*
