

*My mother lost her mother recently. Before she went away, I never realised how much she'd miss her.
Alongside, I can't fathom the time I'd have to live without my mother, let's be realistic.*

This mother's day, I promise my mother that I'll be there for her when she needs her mother, and when she would want to be the mother.

She can play all those roles so perfectly, I can at least try to, for her.

My Mother Is Lost

Henry Rider Haggard

My Mother Is Lost:

My Mama Lost Her Job Dena Bell Bryant, 2010-07 This is a story of a mother who explains to her son that she lost her job. With the current economic crisis many parents find themselves in this situation. Very often children do not understand and it is hard for the parent to explain. This story provides a conversation starter for that parent trying to tell their child of a job loss. It also incorporates exercise.

My Mother's House and Sido Colette, 2002-06-20 In *My Mother's House and Sido* Colette plays fictional variations on the themes of childhood family and above all her mother. Vividly alive, fond of cities, music, theater, and books, Sido devoted herself to her village Saint-Sauveur, to her garden with its inhabitants and its animals, and especially to her children, particularly her youngest whom she called Minet. Unlike *Gigi* and *Chéri* which focus largely on sexual love and its repercussions, *My Mother's House and Sido* center on the compelling figure of a powerful nurturing woman in late nineteenth-century rural France, conveying the impact she had on her community and on her daughter who grew up to be a great writer.

Compelling and astonishing. Kristen Arnett, author of *Mostly Dead Things*, unfolding over the course of nine days and written with enormous heart. *All My Mother's Lovers* is a meditation on the universality and particularity of family, ties, grief, and generational divides, as well as a tender and biting portrait of sex, gender, and identity. After Maggie Krause's mother dies suddenly in a car crash, Maggie finds five sealed envelopes, each addressed to a mysterious man she's never heard of. Maggie and her mother, Iris, weren't close, especially since Maggie came out, but she never thought they would run out of time to figure each other out. Now, in her late twenties, Maggie is finally in something resembling a serious relationship, wondering if some of whatever shaped her parents' decades-long love story might exist after all. Overwhelmed by her grief and frustrated with her family, Maggie decides to escape the shiva and hand-deliver her mother's letters. The ensuing road trip takes her over miles of California highways through strangers' recollections of a second hidden life that seems almost impossible to reconcile with the Iris she knew and a journey through her own fears as she navigates her new relationship. As she fills in the details of Iris's story, Maggie must confront the possibility that almost everything she knew about her mother, her marriage, her lukewarm

relationship to Judaism her disapproval of her daughter's queerness is more meaningful than she ever allowed herself to imagine

Troubled Paradise Eric Reitan, 2024-12-12 Grief over the loss of those we love is one of the most painful parts of life But Christianity has long offered consolation to those who grieve in the form of the Easter promise Death is not the end Beyond it lies a realm of perfect joy where mourning is no more and every tear is wiped away But won't this promise have limits if as Christians have traditionally believed some of God's creatures are eternally lost Can I really be perfectly happy in heaven if say my children are damned or annihilated And what about the Christian teaching that those in heaven are morally sanctified Doesn't this mean they will be perfected in a love so wide it includes even our enemies and hence the lost While delving deeply into the nature of grief and its relation to Christian ethics this book explores the reasoning that generates this problem of heavenly grief examines purported solutions and invites deeper reflection on a frequently dismissed idea that avoids the problem altogether the universalist notion that there are no limits to Easter's promise because all are ultimately saved
