## **My Mum And Our Dad:**

Where's My Mum Now? Brian Cranwell, 2010 For a long time opinion has varied on the role of children when a loved parent granny relative or friend is dying has died There are those who exclude the child from knowledge of impending death and the funeral arguing that it is all too distressing for a child while others maintain that children want to be involved and can make decisions quite young When my husband died we gave the grandchildren the choice It was the youngest two who agreed straight away but Mary 11 hesitated and then said I don't want to go but if I don't I will never forgive myself All three were glad to have gone and said their goodbyes Brian not only believed that children are well able to be involved in the process of death he was prepared to test it with a research project that involved not adults but children who had had a parent die This book records that research its problems and results I have known and worked with Brian for many years His work is meticulous for he is dedicated to the theme having been a clergyman and seen the many sides of dying and the way it is handled by families who themselves are often dealing with the unknown and their own fears of death and dying This book is a must for all who have contact with children parents teachers those in social services and all who need reassurance on the resilience of children who yes have many ways of coping but what they all want from their grownups is honesty openness involvement and love Ann Faulkner Retired Professor of Communication in Health Care

Unconditional Love - My Father Killed My Mother... This is the True Story of How I Learnt to Forgive Him Natalia Aggiano, 2008-05-05 Elva Aggiano was murdered in 1997 by her husband Bruno Of the four Aggiano children three vowed never to speak to their father again Remarkably their daughter Natalia renewed her relationship with Bruno and became his friend and companion until his death in 2066 This is her astonishing story Kind and loyal Elva was a bright young woman from a typical English seaside town who was swept off her feet by an older handsome Italian bodybuilder It was all she had ever wanted the promise of life as a loving mother and devoted wife But a dark secret from her past left vulnerable to Bruno's brooding possessive nature and behind closed doors Elva's family idyll turned into a reign of terror of both mental and physical abuse for her and her children Their daughter Natalia speaks for the first time about how the family suffered about her escape onto the streets aged 17 and her traumatic struggle to survive alone Natalia finally persuaded Elva to run away along with her youngest son and for the first time Elva found the happiness and confidence that had always eluded her But it was not to last Giving way to Bruno's request to see his young son Elva returned to the marital home where Bruno mercilessly stabbed her to death Against all odds Natalia found the courage to stand by her father even after he'd ripped the family apart During often harrowing visits to Rampton high security psychiatric hospital she learned to love Bruno for the first time Her fascinating journey led Natalia to honour her mother's memory finding a way to live forgiveness and unconditional love Amazing Peter Andre An extraordinary young woman and so selfless Carol Vorderman

**Things I Couldn't Tell My Mother** Sue Johnston, 2011-09-01 There was a lot that we kept from my mother My dad would say to me as a teenager Don't tell your

mother We couldn't face the disapproval Sue Johnston always seemed to be disappointing her mother As a girl she never stayed clean and tidy like her cousins As she grew older she spent all her piano lesson money on drinks for her mates down the pub and when she discovered The Cavern she was never at home The final straw was when Sue left her steady job at a St Helen's factory to try her hand at that unsteadyest of jobs acting Yet when Sue was bringing up her own child alone her mother was always there to help And playing her much loved characters Sheila Grant in *Waking the Dead* and Barbara in *The Royle Family* although her mum wouldn't say she was proud as such she certainly seemed to approve And in her mother's final months it was Sue she needed by her side The relationship with your mother is perhaps the most precious and fraught of any woman's life When she began writing Sue set out to record all the big things and all the small things Everything I wanted to tell my mother but felt I never could The result is a warm poignant and often very funny memoir by one of Britain's favourite actresses

**Mixed-Race, Post-Race** Suki Ali, 2020-05-27 Social scientists claim that we now live in a post race society where race has been replaced by ethnicity Yet racism is endemic to British society and people often think in terms of black and white With a marked rise in the number of children from mixed parentage there is an urgent need to challenge simplistic understandings of race nation and culture and interrogate what it means to grow up in Britain and claim a mixed identity Focusing on mixed race and inter ethnic families this book not only explores current understandings of race but it shows using innovative research techniques with children how we come to read race What influence do photographs and television have on children's ideas about race How do children use memories and stories to talk about racial differences within their own families How important is the home and domestic culture in achieving a sense of belonging Ali also considers through data gathered from teachers and parents broader issues relating to the effectiveness of anti racist and multicultural teaching in schools and parental concerns over the social mobility and social acceptability of their children Rigorously researched this book is the first to combine children's accounts on race and identity with contemporary cultural theory Using fascinating case studies it fills a major gap in this area and provides an original approach to writing on race

**Quality of Life and Disability** Roy Brown, Ivan Brown, 2003-04-15 The authors apply ideas about quality of life to the field of disability to assist front line professionals managers and policy makers in effective service provision They examine the historical context of the concept of quality of life and discuss the application of quality of life in the daily lives of people who have disabilities

**My Mother's Lies** Diane Saxon, 2024-08-21 The BRAND NEW psychological thriller from bestseller Diane Saxon She's been lying my whole life As if my mum breaking her hip and being rushed to hospital isn't shocking enough for one day now in her post operative delirium she's just told me I'm not her daughter That she has never been able to have children The nurse reassures me that people are often confused after a trauma But I know this woman so well and I can tell there's a grain

of truth in what she says Which begs the questions Who am I Where did I come from When I dig into the truth I suddenly stir up a hornet s nest of secrets lies and possibly a crime so unfathomable that stretches back decades What has my mum done Can I trust her Or has my digging put us both in peril of our lives Diane Saxon s new absorbing thriller explores deceit love loyalty and family ties Readers love Diane Saxon An unputdownable tense fast paced terrifying plot that deftly twists and turns Danielle Ramsay An intensely dark thriller Ross Greenwood Packed full of secrets and lies and in a town filled with an unsettling atmosphere Saxon succeeds in putting the creep in creepy Valerie Keogh A complex dark and disturbing thriller full of intrigue toxic relationships and jaw dropping twists 5 stars Alex Stone The final twist was so unexpected that I was taken by surprise Reader Review I highly recommend this book you won t want to put it down Reader Review **Missio** Tim Roux,2009-11-21 Stevie Francis lost his dad when the Hull trawler The Gaul disappeared without trace somewhere on or around 8 February 1974 while fishing in the Barents Sea Its owners British United Trawlers had nicknamed it the unsinkable Speculation at the time was that The Gaul had been captured or sunk by the Soviet navy because there was a British government spy on board or that its fishing net had become entangled with a passing Soviet submarine or that it had simply become overwhelmed by heavy seas The wreck of The Gaul was located in 1997 and the remains of four of its crew were retrieved in 2004 A more recent suggestion is that The Gaul suffered from significant design faults Walking the rundown streets of his dockland neighbourhood searching for his cat Stevie meets The Great Macaroni a children s magician who spends his time trying to persuade his young audiences that his real magic is mere trickery He teaches Stevie that nothing in this world is as it appears that teaspoons can fly and that the future is never set even if it has already happened What he cannot tell him about are the two years of his life that Stevie will spend in absolute darkness What Would Dani Do? Thick with owls and badgers oak trees and wood piles scarecrows and ghosts and Tom Cox's loud and excitable dad this book is full of the folklore of several counties the ancient kind and the everyday variety as well as wild places mystical spots and curious objects Emerging from this focus on the detail are themes that are broader and bigger and more important than ever Tom's writing treads a new path one that has a lot in common with a rambling country walk it's bewitched by fresh air and big skies intrepid in minor ways haunted by weather and old stories and the spooky edges of the outdoors restless and prone to a few detours but it always reaches its destination in the end
