that women should be entitled bratty and LAZY thats when they re the most controlling dominating and ATTRACTIVE soles bobbing up and down I can never get enough of serving her and talking about COCK And in general while serving her either sexually or otherwise talking about some of the things I talk about SO often here Except I dont talk about them ALL Hehe And I m lucky in that I m at least at this point where I can talk about SOME of it Most men their SO s would throw a hissy and leave if they even MENTIONED any of their real desires those dormant desires which I wrote about before NEVER go away and everyone has them no matter how you try to deny them But do you ACT upon those desires We all have one life my friend And what use that life if not lived to the fullest Will you really care what people think when you pass i e if you did something that is SSC really really like something you really really WANT nay CRAVE who cares Most people live lives of quiet desperation as the great Thoreau once said And they rarely if ever bring out their innermost thoughts dreams and desires like I do publicly And I ve never been happier So will YOU my friend so will YOU once you do what Colonel Trautman told Rambo in First Blood Part III i e accept the inner you It s YOU And thats what matters And this treatise well if you ve been having thoughts of oh I should not be thinking that way or guilt trips etc as I once did about wanting so desperately to be a sissy well this treatise will BANISH all such thoughts instantly Indeed my writing is not just so erotic not just so unique nothing like our stuff out there but most importantly so REAL life and NO or very little creative license despite a life SO full most can t believe it that you too will be inspired to take the sissy BULL by the horns or penis and just beg to DO And that probably more than anything is why I wrote this book More benefits Well for you sissies and faggots wanna be or not reading this What you think about is indeed what you ATTRACT except most people dont think about it the right way And thats 1 right at the top learn how to THINK the right way this is something I teach in ALL my courses If you re thinking something chances are excellent or second to none that if you do with deep EMOTION it will happen Learn just how in terms of BDSM sissydome and so forth You ll learn after reading this book why HONEST and open is truly what women like not so much your preferences as a sissy Why NOT being able to control your ejaculation or staying hard is not just a matter of PRIDE for sissies but a level every sissy should aspire to ATTAIN to or the other way around Why cumming in one s pants often involuntarily is the greatest HONOR any sissy could ever be afforded And why even sissies that are GOOD in bed with their penis should try NOT TO BE your TONGUE is what is needed Why PENIS and penis love are often misunderstood and why as I stated so many times in my books specially Cock Worship for Sissies and Faggots and Penis Central but one of them loving PENIS is an absolute MUST I repeat absolute MUST if you want to be a sissy at ANY decent level Why you MUST aspire as a sissy to get to the point where you think nothing but COCK and feet or feet and COCK all day And consequently why you must aspire to hone your servitude skills better than anyone else out there including the TIP of your tongue too if you get my drift How and why and these tips will tell you or these CONFESSIONS you could call them tips as well to REWIRE your sexuality permanently so the above is ALL you think about and attract and trust me just reading do what I say you ll see How to get
