Playing with Fire R.J. Blain, 2017-01-30 Warning This novel contains excessive humor a fire breathing unicorn on a mission of destruction magic romance and bodies Proceed with caution Catering to the magical is a tough gig on a good day but Bailey has few other options Spiking drinks with pixie dust keeps the locals happy and beats cleaning up the world s nastiest magical substances She could live without serving Police Chief Samuel Quinn most days of the week especially after destroying his marriage But when she s targeted with a cell phone bomb containing gorgon dust capable of transforming her beloved home into a stone tomb she s tossed head first into a mess with her sexiest enemy Add in his ex wife angling for revenge and Bailey must use every trick up her sleeve to survive The last thing she needs is to fall in love with Manhattan s Most Wanted Bachelor Saving Manhattan will be tough enough *Once Upon a Time* ,1879 *Once Upon a Time in New York... there are people out there who are needlessly suffering in silence and so I am going to take a step to break the silence and to hopefully begin to start a conversation or at least make people hear and see what mental illness can do Mental illness not only affects the afflicted person but it can trickle down to affect family members work environments and even whole communities Mental illness is becoming an epidemic in our society and no one is talking about it I have spent too many years being silent and afraid If you are reading this and you are suffering or you know someone who is you are not alone I have been there too and I have held on so that I could share my story and my love of writing and creative expression Enjoy

**Summoned** Kathleen Stauffer, 2019-04-05 Every life has a story Human nature looks for meaning in all circumstances Our journeys seldom unfold smoothly but amidst turmoil and tragedy mind numbing boredom or maddening frustration the mind weaves a narrative that tries to make sense of it all Kathleen Stauffer's previous novels have shown how God molds the lifelong spiritual journeys of those who seek him In this her sixth book she zooms in for a closer look at the nitty gritty of life Summoned includes a novelette and six short stories each of which portrays a unique individual facing unexpected challenges Despite the sometimes dark subject matter the characters are painted with such loving details and their stories are so well surrounded with the context of an eternal viewpoint that the general effect is one of hope Each protagonist in this book of stories is an affirmation that our stories too may be a part of a far reaching narrative and that our lives can be part of something bigger and beyond our imaginations
