My Operatic Roles:

My Operatic Roles Plácido Domingo, Helena Matheopoulos, 2000 This book was produced for Plácido Domingo's 60th birthday and the 40th anniversary of his debut in a major role Alfredo in *La Traviata* in 1961. It is a portrait of the artist in his own words through his own portrayals of the various operatic heroes he has so grippingly and hauntingly brought to life over the years. The series of interviews took place all over the world over several years from Seville to New York to Vienna and home in Acapulco. They trace his journey into each of his 62 major roles for the benefit of present and future singers to single out the specific vocal aspects in each role that he considers significant. Author's note *The 21st-century Singer* Susan Mohini Kane, 2015 Young classical singers particularly recent graduates of music programs need not only considerable artistic ability but also intelligence and an acute business sense to navigate the world of professional singing. In this book author Susan Mohini Kane has created a user-friendly guide for these recent graduates. Kane combines the benefits of an instructional manual with those of a self-reflective workbook to provide emerging classical singers with both practical and inspirational advice.

Opera Lives Linda Kitchen, 2018-11-01 What makes an opera singer? And where in the making of a performance is the identity of the singer themselves? Linda Kitchen goes behind the scenes with prominent voices who have valuable insight about the world of opera, discussing what it means to be a performer, how they got into the profession, and how who they are affects how they perform. Illustrated with photos of the artists in places that lend meaning to their lives by renowned photographer Nobby Clark.
