book is the first work to highlight Catherine Doherty's vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine's development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine's exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and temptations involving young women and was bordering on despair With clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope Yesterday's Island Lynn Hones,2011-05-15 Young rambunctious Rose lives with her father and two sisters in a world of magnificence and splendor maids and servants at their beck and call On the dawn of the Great War when the world is still innocent and clean Rose is taught to inhibit her natural instincts of curiosity and inquisitiveness She is trained to be quiet and lady like by a governess who expects nothing less than perfection and a father whose love reminds her daily that she can have anything her heart desires Only one thing is forbidden The Door The secrets that lay beyond it she is told are so unfathomable that to gaze upon them will cause only death Unfortunately Rose must know She must find out what those secrets are and whether The Door is an exit to the freedom she craves or an entrance to a hell from which she d never find escape *The Russian Empire of To-day and Yesterday* Nevin Otto Winter,1914 My Yesterdays Lord Frederick Spencer Hamilton,1930 Australians Yesterday and Today Win Haseloff,1999 This is a book of personal stories told by older men and women who were either born in Australia or came here to make their homes Their stories cross generations families cultures and more than ten decades of Australian life **Yesterday's Hero** Jonathan Wood,2014-09-09 Another day another zombie T Rex to put down All part of the routine for Arthur Wallace and MI37 the government department devoted to defending Britain from threats magical supernatural extraterrestrial and generally odd But a zombie T Rex is only the first of Arthur's problems as Russian cyborg wizards threaten his life and his coworkers threaten his sanity
