My Sax Life A Memoir:

My Sax Life Paquito D'Rivera, 2008-11-04 Winner of 2005 Grammy Award for Best Instrumental Composition Winner of 2005 National Medal of Arts Since defecting from Cuba in 1980 and indeed long before that in his native land Paquito D Rivera has received glowing praise time and again A best selling artist with more than thirty solo albums to his credit D Rivera has performed at the White House and the Blue Note and with orchestras jazz ensembles and chamber groups around the world My Sax Life is the English language edition of D Rivera s memoirs published to acclaim in 1998 Propelled by jazz fueled high spirits D Rivera s story soars and spins from memory to memory in a collage of his remarkable life D Rivera recalls his early nightclub appearances as a child performing with clowns and exotic dancers as well as his search for artistic freedom in communist Cuba and his hungry explorations of world music after his defection Opinionated but always good humored My Sax Life is a fascinating statement on art and the artist s life *Unbecoming Blackness* Antonio

Lopez, 2012-11-26 2014 Runner Up MLA Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies In *Unbecoming Blackness* Antonio Lopez uncovers an important otherwise unrecognized century long archive of literature and performance that reveals Cuban America as a space of overlapping Cuban and African diasporic experiences Lopez shows how Afro Cuban writers and performers in the U S align Cuban black and mulatto identities often subsumed in the mixed race and postracial Cuban national imaginaries with the material and symbolic blackness of African Americans and other Afro Latinas/os In the works of Alberto O Farrill Eusebia Cosme R mulo Lachata er and others Afro Cubanness articulates the African diasporic experience in ways that deprive negro and mulatto configurations of an exclusive link with Cuban nationalism Instead what is invoked is an unbecoming relationship between Afro Cubans in the U S and their domestic black counterparts The transformations in Cuban racial identity across the hemisphere represented powerfully in the literary and performance cultures of Afro Cubans in the U S provide the fullest account of a transnational Cuba one in which the Cuban American emerges as Afro Cuban American and the Latino as Afro Latino Race to Revolution Gerald

Horne, 2014-07-08 The histories of Cuba and the United States are tightly intertwined and have been for at least two centuries In *Race to Revolution* historian Gerald Horne examines a critical relationship between the two countries by tracing out the typically overlooked interconnections among slavery Jim Crow and revolution Slavery was central to the economic and political trajectories of Cuba and the United States both in terms of each nation s internal political and economic development and in the interactions between the small Caribbean island and the Colossus of the North Horne draws a direct link between the black experiences in two very different countries and follows that connection through changing periods of resistance and revolutionary upheaval Black Cubans were crucial to Cuba s initial independence and the relative freedom they achieved helped bring down Jim Crow in the United States reinforcing radical politics within the black communities of both nations This in turn helped to create the conditions that gave rise to the Cuban Revolution which on New Years Day in

1959 shook the United States to its core Based on extensive research in Havana Madrid London and throughout the U S *Race to Revolution* delves deep into the historical record bringing to life the experiences of slaves and slave traders abolitionists and sailors politicians and poor farmers It illuminates the complex web of interaction and influence that shaped the lives of many generations as they struggled over questions of race property and political power in both Cuba and the United States

The Restless Ilan Stavans Steven G. Kellman, 2019-03-15 This is the first book length study of one of the most prominent and prolific Latino academics Ilan Stavans He has written extensively on Latino culture Jewish culture dictionaries immigration language Spanglish soccer translation travel selfies and God *The Restless Ilan Stavans* surveys his interests achievements and flaws while he is still in the midst of an extraordinarily productive career A native of Mexico who became a U S citizen he is an outsider to both the Chicano community that often resents him as an interloper and the American Jewish community that he who grew up speaking Yiddish in Mexico City often chides The book examines his unlikely rise to prominence within the context of the spread of multiculturalism as a seminal principle within American culture A self proclaimed cosmopolitan who rejects borders Stavans is both insider and outsider to the myriad of subjects he approaches

The Moncada Attack Antonio Rafael De la Cova, 2007 The account of Fidel Castro's rise to power is not complete without mention of the failed attacks of July 26 1953 on the Cuban army garrisons at Moncada and Bayamo This text views this initial overthrow attempt as a propaganda victory that marked the start of Castro's ascent to national power
