Author is such a grand title and one for which I do not feel at all worthy Instead I would consider myself an adventurer with a pen and notebook My adventurous spirit started way back when I was just seven years old and found myself plonked on the back of a rather large pony called Dawn I had pestered my parents for horse riding lessons and now I sat shivering with fear and contemplating the sanity of my demands As a shy reticent little girl I did not have the courage to say actually I do not like this So week after week month after month little by little I lost my fear and an adventurous spirit was born with me Of course horse riding has little to do with sailing but for me the experience of the former gave me the courage for the latter Riding an unpredictable frisky jumpy mare has many parallels to sailing an unpredictable frisky jumpy yacht Believe me when I tell you a yacht has a mind of its own Sailing first entered my life in my teens when I had the privilege to crew on the Thames sailing barge Th alatta In my twenties I became a deck monkey on friends yachts and enjoyed the thrill of racing in the Solent on the south coast of England I gained my Competent Crew certificate whilst taking part in the Baltic leg of the Tall Ships Race Working as a secretary for the army at the time I was invited to join the crew on Sail Training Yacht British Soldier a magnificent 55 foot Camper Nicholson I briefly co owned a small day sailor Pindari and cut my teeth on the perils of crossing the busiest shipping lane in the world the English Channel Sailing took a back seat in my early forties when I was gripped by the travelling bug I had Australia in my sights and I spent many a happy month soaking up the sights sounds and sheer vastness of that wonderful continent I realised then that the world has a lot more to offer me Yearning for more I was a great believer in the saying a change is as good as a rest I had been a secretary a personal assistant a hairdresser and a professional tennis coach and have recently qualified as an approved driving instructor I was a highly proficient horse rider a crazy snow skier a scuba diver and a tennis player What more could I possibly achieve Well I have just added to that list a circumnavigator
