My Secret Life, Volumes I to III Anonymous

Anonymous,2019-09-15 Excerpt I began these memoirs when about twenty five years old having from youth kept a diary of some sort which perhaps from habit made me think of recording my inner and secret life When I began it I had scarcely read a bawdy book none of which excepting Fanny Hill appeared to me to be truthful that did and it does so still the others telling of recherche eroticisms or of inordinate copulative powers of the strange twists tricks and fancies of matured voluptuousness and philosophical lewdness seemed to my comparative ignorance as bawdy imaginings or lying inventions not worthy of belief although I now know by experience that they may be true enough however eccentric and improbable they may appear to the uninitiated Fanny Hill was a woman s experience Written perhaps by a woman where was a man s written with equal truth That book has no bawdy word in it but bawdy acts need the bawdy ejaculations the erotic full flavored expressions which even the chastest indulge in when lust or love is in its full tide of performance So I determined to write my private life freely as to fact and in the spirit of the lustful acts done by me or witnessed it is written therefore with absolute truth and without any regard whatever for what the world calls decency Decency and voluptuousness in its fullest acceptance cannot exist together one would kill the other the poetry of copulation I have only experienced with a few women which however neither prevented them nor me from calling a spade a spade
