Dancing with Max Emily Colson, 2010-09-07 The true story of a single mother's love and perseverance her son's autism diagnosis with its challenges and gifts and their triumph together over life's toughest obstacles. Journey with Emily Colson daughter of former White House Special Counsel Chuck Colson as she takes you from her darkest days of pain to her adventure through life. With candor and wit she shares about her personal battles and heartbreak when as a suddenly single mother she discovered that her only child has autism. Emily illuminates the page with vivid imagery making you laugh making you cry and inspiring you to face your own challenges. This is the story that will inspire you to break free of the barriers that threaten to constrict your life and Max is the young man who will capture and even change your heart. As you learn more about Max and his journey you'll learn about the incredible power of community. Facing each day with grace and faith. Turning your challenges into blessings. In a special prologue and epilogue from Chuck Colson his most personal writing since *Born Again* he details how Max's resilient spirit unraveled his thinking and brought out his tender side as a grandfather. Along the way you'll discover that Max's disability does not so much define who he is but reveals who we are. *Dancing with Max* is not a fairy tale with a magical ending. It's a real life story of grace second chances and fresh starts in spite of life's hardest problems. And Max Max will make you fall in love with life all over again leaving you dancing with joy. Praise for *Dancing with Max* Emily shares her moving story of life's struggles but of its even greater victories in her own words. This is a story of triumph in spite of the suffering and pain. It is most of all a love story and a story about changed lives. Emily's Max's and also mine. Chuck Colson former White House Special Counsel.

Crushed Ice Dr. Latangela L. Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees. Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another. Can you imagine growing up in a family that has many secrets that could either

destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 *New York Supreme Court* ,1904 *Harper's New Monthly Magazine* ,1880 **The Works of Samuel**
