Be Mine, Sugar Daddy Cat Santos, Lena I know exactly how long it s been since I ve dated someone for longer than a month My kid is ten so it s been five years of a battery operated night life since I split from his dad It sounds long in hindsight but in the day to day of my day job and mom duties dating doesn t stand a chance Not that anyone s asking to be included in

mine In a comfortable rut in my small hometown it ll take a major intervention to stray from my routine life An old friend a car crash on Valentine s day and a surprise date with a hot single dad aka the town s biggest player should do it Rex Valentine s day was my favorite holiday It starts with pancakes and ends with a pajama party with my favorite girl But this year everything is going wrong I m still getting my tradition of pasta ice skating and a movie but apparently I have to share it all with my kiddo s first date I thought I d have to spend all day keeping an eye on them but when he shows up with a familiar face it s hard to pay attention to anything else Read what happens when an innocent parent trap turns out to be more of a steamy single dad thirst trap **Hello Trouble** Kelsie Hoss, What happens when the eternally single curvy girl becomes the blue collar bad boy s new obsession I love my small town and having all my friends and family around But I m almost forty and still single Clearly my Prince Charming isn t finding me here Especially with my car continually breaking down and sending me to Hayes Madigan s shop The tatted mechanic acts like being a perpetual bachelor is the only point of life He s happy with his parade of one night stands and regular hookups But I want more I want romance the kind of love that sweeps you off your feet and takes your breath away So when I get offered a job in Dallas I think it might be my chance to meet someone and finally have my own happily ever after Except Hayes surprises me by asking me out After spending more time with him I have to wonder Am I just another number on his list Or is he giving me the reason I need to stay in Cottonwood Falls *Alaska History* Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom **Bit Player** Janet Dawson,2020-03-07 Delightful In flashbacks Dawson does a fine job bringing WWII era Los Angeles to life Publishers Weekly 2 28 11 What now remains of Hollywood s Golden Era A wealth of publicity materials was distributed nationwide to theaters but they were usually treated as rubbish and disposed of when each movie finished its run However a surprising number of posters still production photos lobby cards inserts title cards and the like have survived and some of these memorabilia are of enormous value to collectors Like any objects of value these occasionally motivate crimes sometimes even murder PI Jeri Howard scours Northern California from the Bay Area to Sonoma County to the Eastern Sierra trying to connect events of sixty years ago with the murder of a prominent arts patron and avid collector of Hitchcock memorabilia and learns a lot about her grandmother s years as a bit player in Hollywood along the way With frequent flashbacks to the late 1930s and early 40s Bit Player features the life of bit player Jerusha Layne who may figure in the unsolved murder of an aspiring leading man **The Number 7** Jessica Lidh,2014-11-07 It all starts with a mysterious phone call from Louisa s decorative antique phone And that wouldn t

be so strange except that the phone is unplugged and has been for years Frightened by the call and its message and questioning her own sanity Louisa listens as a somehow familiar voice describes a lost family secret about Louisa's grandfather and his daring involvement in resisting the Nazi scourge in his native Sweden during World War II Piecing together each clue she can find Louisa begins to see how her grandfather's guilt and shame continues to haunt her own father and the rest of her family decades later planting seeds of doubt that threaten to tear them all apart Now desperate to know the full truth despite the charming distractions of a boy with secrets of his own Louisa becomes consumed with her discoveries which she passes off to her parents as a school history project Digging through old family albums and letters she at last begins to see that the phone call was only the beginning and that she is the one meant to be the messenger who can bring the truth of the past to light before it's too late for her family
