My Strangest Case Guy Boothby, 2017-12-13 Excerpt that I should not in any way associate him with the plot. The following day was spent for the greater part in making further inquiries in Hatton Garden and among the various Dutch merchants then in London. The story the senior partner of Messrs Jacob and Bulenthall had told me had proved to be correct, and there could be no sort of doubt that Hayle had realized a very large sum of money by the transaction. What was more, I discovered that he had been seen in London within the previous twenty-four hours.

Medicine's Strangest Cases Michael O'Donnell, 2016-04-04 *Medicine's Strangest Cases* is a choice prescription of weird and wonderful tales from the history of medicine, featuring the German doctor who fought a duel with a sausage, the Harley Street physician turned novelist who invented a disease and its remedy to keep his clients happy, and the quiet and cautious Swiss scientist who inadvertently unleashed LSD on the world. The stories in this book are bizarre, fascinating, hilarious, and most importantly, true. Revised, redesigned, and updated for 2016, this book is the perfect gift for medical students, clinicians, hypochondriacs, and history fans.

from Vincent's death. How is the murder entwined with his own forgery investigation? Ready to Teach: The Strange Case of Dr Jekyll & Mr Hyde Chris Curtis, Fiona Folan, 2023-11-03. Ready to Teach: The Strange Case of Dr Jekyll and Mr Hyde is a compendium of background reading, subject knowledge resources, and classroom strategies to support the teaching of Stevenson's gothic tale of morality, murder, and science for GCSE. Using a combination of pedagogical theory, research, and work from other Victorian writers of the time, the book helps to prepare, develop, or deepen the teaching of the text in the classroom. As part of the Ready to Teach series, each chapter contains lesson-by-lesson essays and commentaries that enhance subject knowledge on key areas of the text alongside fully resourced lessons reflecting current and dynamic best practice. The book also offers an introduction and exploration of Victorian society as seen in the novel, but also how other writers of that time presented similar themes or ideas. Literature is never created in a vacuum, and Ready to Teach: The Strange Case of Dr Jekyll and Mr Hyde explores how text reflects its Victorian context and what other writers were doing at that time. Ready to Teach: The Strange Case of Dr Jekyll and Mr Hyde has a level of duality like Doctor Jekyll himself. On one level, the book provides an exploration for the text for people new to teaching it. On another level, the book provides new ideas or ways of seeing things for the established teacher. A perfect addition for your CPD bookcase.
