Politics on a Human Scale Jeff Taylor, 2013-09-27 Featuring a foreword by Congressman Glen Browder Politics on a Human Scale examines political decentralization in the United States from the founding of the republic to the present Part of the desirable

equilibrium is a sense of proportionality Some sizes some amounts some levels are more appropriate than others Decentralism is the best political tool to ensure equilibrium to promote proportionality and to obtain appropriate scale Power distribution should be as wide as possible Government functions should be as close to the people as practicable In this way individual human beings are not swallowed by a monstrous Leviathan Persons are not at the mercy of an impersonal bureaucracy led by the far away few Decentralism gives us politics on a human scale It gives us more democracy within the framework of a republic The longest chapters in the book deal with crucial turning points in U S history specifically when decentralists lost the upper hand in the two major political parties Decentralism in our nation runs deep both intellectually and historically It also has considerable popular support Yet today it is a virtual political orphan In Washington neither major political party is serious about dispersing power to lower levels of government or to the people themselves Still there are dissident politicians and political movements that remain committed to the decentralist principle Power needs to be held in check partly through decentralization because power holds a great and dangerous attraction for humans Recognition of this human tendency is the first step in guarding against it and getting back on a better path Comentario sobre el libro de Apocalipsis Dr. Paige Patterson, 2014-05-01 Patterson escribe con la firme convicción de que comprender y exponer fructíferamente el libro de Apocalipsis es algo que está al alcance de predicadores y profesores Con ese propósito ha escrito este comentario en el que interactúa con una gran variedad de intérpretes de Apocalipsis a lo largo de los siglos El lector que siga las decisiones interpretativas de Patterson no solo participará en un taller hermenéutico virtual sino que además podrá ver con mayor claridad que nunca la gloria y magnificencia de Jesucristo Patterson writes with the strong conviction that preachers and professors can grasp Revelation and expound it fruitfully To that end he has written this commentary and in doing so interacts with a wide array of interpreters of Revelation across the centuries The reader who follows Patterson's interpretive decisions will experience a virtual hermeneutical workshop but far more than that He will see more clearly than ever the glory and grandeur of Jesus Christ *Pneuma and Realized Eschatology in the Book of Wisdom* Matthew Edwards, 2012-08-15 The Book of Wisdom's understanding of Israel's history of contemporary politics and of the immortal fate of the persecuted sage can be understood to be part of one theological system This system integrates texts and concepts from Jewish Wisdom the biblical narratives of the patriarchs from Adam to Moses eschatological hope and apocalyptic language an understanding of the spirit of God in the enabling of prophets and leaders and most distinctively the Stoic concept of pneuma This last concept unites the biblical resources and allows Wisdom using eschatological language to speak of the ordering of the cosmos for the judgement for the wicked and the exaltation of God's people in the present age Matthew Edwards addresses first the question of the literary unity of Wisdom This is followed by an examination of the differing uses of the term pneuma within Wisdom that is as divine agent of salvation the means of the ordering the cosmos and the substance from which souls are composed The nature of personal salvation within Wisdom is also considered and shown to be

an integral part of the understanding of the cosmos ordered for judgement and exaltation Finally this notion of the ordering of the cosmos and history for God's people is discussed with its consequences for Jewish life under contemporary Hellenistic and Roman rule **Analecta biblica** ,1970 **2 Rois 2,19-13,25** Matthieu Richelle,2023-08-16 Ce commentaire de l'Ancien Testament tire son originalité de son centrage sur la figure de l'Esprit et il suit sa carrière prophétique indépendante à partir de l'ascension de son principal personnage jusqu'au récit évoquant sa mort et même un miracle post mortem au chapitre 13 Cet ensemble littéraire montre l'Esprit intervenir régulièrement et de façon spectaculaire dans les grands événements historiques affectant l'histoire du royaume d'Israël au point d'avoir un véritable ascendant sur les rois de ce pays Ce commentaire met en évidence le caractère tout fait singulier du cycle de l'Esprit au cœur des livres bibliques consacrés aux dirigeants politiques de l'Ancien Israël **Creative Redemption in Deutero-Isaiah** Carroll Stuhlmueller,1970 **AB Bookman's Weekly** ,1998 **Glorious History of Dalits** Raj Kumar,Raj,2010 **Religious Books and Serials in Print** ,1982 **Huxford's Old Book Value Guide** Bob Huxford,Sharon Huxford,1999-03 Listing nearly 25 000 book titles with current values this updated and revised 11th edition features a simple and easy to use format [Cu Isus pe calea rugaciunii](#) Brant Pitre, Traducere de Monica Brodeanu Când eram mai tânăr tindeam să mergândesc la viaa mea spirituală ca la un fel de urotativ Pe o parte eram pe catul de moarte iar pe cealaltă eram în așteptarea sau starea de har Scopul meu principal era să mor de partea cea bună a lui Dumnezeu Spre surprinderea mea am aflat că nu aș descriu marii autori spirituali viaa creștină Ci întocmai cum viaa biologică a cuiva trece în mod obișnuit prin anumite stadii copilărie adolescență maturitate tot astfel viaa spirituală a unui om trece în mod normal prin stadii de creștere Totodată în Predica de pe Munte Isus însuși descrie un singur drum sau cale pe care trebuie să umblăm toți ucenicii săi Matei 7 14 BRANT PITRE Cu același farmec al oralității precum și cu limpezimea care îl caracterizează cărțile publicate până acum pentru publicul larg tânărul biblist american mprete te entuziasmează cititorilor descoperirile sale în domeniul teologiei spirituale pornind de la sensul său utilizat cu Isus pe calea rugăciunii Demersul lui Brant Pitre din volumul de față este o sinteză fericită între apropierea de marile teme ale autorilor ascetici și mistici din tradiția Bisericii care respiră cu amândoi plămânii răsăritean și apusean și preocuparea de a descoperi rădăcinile biblice ale problematicei abordate Hranimbel ugit și pentru iubitorii Scripturii și pentru cei ai tradiției bimilenare a creștinismului MONICA BRO TEANU Pe copertă Gerrit van Honthorst Isus în Grădina Ghetsimani detaliu *Huxford's Old Book* Bob Huxford,Sharon Huxford,1998-04 25 000 listings of old books with current values **Antiquarian Bookman** ,1961 **Reader's Digest Atlas of the Bible** Harry Thomas Frank,1981 Narrative maps photos and other illustrations place Bible stories in a historical geographic framework Includes a gazetteer of around 900 biblical place names
