Platos Socrates As Educator

James M. Magrini

Platos Socrates As Educator:

Plato's Socrates as Educator Gary Alan Scott, 2000-10-19 Despite his ceaseless efforts to purge his fellow citizens of their unfounded opinions and to bring them to care for what he believes to be the most important things Plato's Socrates rarely succeeds in his pedagogical project with the characters he encounters This is in striking contrast to the historical Socrates who spawned the careers of Plato Xenophon and other authors of Socratic dialogues Through an examination of Socratic pedagogy under its most propitious conditions focusing on a narrow class of dialogues featuring Lysis and Alcibiades this book answers the question why does Plato portray his divinely appointed gadfly as such a dramatic failure **Plato's**

Socrates, Philosophy and Education James M. Magrini, 2017-12-01 This book develops for the readers Plato's Socrates non formalized philosophical practice of learning through questioning in the company of others In doing so the writer confronts Plato's Socrates in the words of John Dewey as the dramatic restless cooperatively inquiring philosopher of the dialogues whose view of education and learning is unique 1 It is focused on actively pursuing a form of philosophical understanding irreducible to truth of a propositional nature which defies transfer from practitioner to pupil 2 It embraces the perennial on the wayness of education and learning in that to interrogate the virtues or the good life through the practice of the dialectic is to continually renew the quest for a deeper understanding of things by returning to reevaluating and modifying the questions originally posed regarding the good life Indeed Socratic philosophy is a life of questioning those aspects of existence that are most question worthy and 3 It accepts that learning is a process guided and structured by dialectic inquiry and is already immanent within and possible only because of the unfolding of the process itself i e learning is not a goal that somehow stands outside the dialectic as its end product which indicates erroneously that the method or practice is disposable For learning occurs only through continued sustained communal dialogue Plato's Theory of Education Rupert Clendon Lodge, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Reconceptualizing Plato's Socrates at the Limit of Education James M. Magrini, 2016-11-25 Bridging the gap between interpretations of Third Way Platonic scholarship and phenomenological ontological scholarship this book argues for a unique ontological hermeneutic interpretation of Plato and Plato's Socrates Reconceptualizing Plato's Socrates at the Limit of Education offers a re reading of Plato and Plato's Socrates in terms of interpreting the practice of education as care for the soul through the conceptual lenses of phenomenology philosophical hermeneutics and ontological inquiry Magrini contrasts his re reading with the views of Plato and Plato's Socrates that dominate contemporary education which for the most part emerge through the rigid and reductive categorization of Plato as both a realist and idealist in philosophical foundations texts teacher education programs This view also presents what he terms the questionable Socrates as teacher model which grounds such contemporary educational movements as the Paideia Project which claims to incorporate through a scripted curriculum with Socratic lesson plans the so called Socratic Method into the Common Core State Standards Curriculum as a

technical skill that can be taught and learned as part of the students critical thinking skills After a careful reading incorporating what might be termed a Third Way of reading Plato and Plato's Socrates following scholars from the Continental tradition Magrini concludes that a so called Socratic education would be nearly impossible to achieve and enact in the current educational milieu of standardization or neo Taylorism Social Efficiency However despite this he argues in the affirmative that there is much educators can and must learn from this non doctrinal re reading and re characterization of Plato and Plato's Socrates

Socrates' Education to Virtue Mark J. Lutz, 1998-01-01 Argues that Plato's dialogues contain a surprisingly neglected account of Socrates education about the love of noble virtue and that recovering this education could help broaden and deepen liberalism's moral and political horizon

Plato's Metaphysics of Education (RLE: Plato)

Samuel Scolnicov, 2013-05-07 This volume provides a comprehensive learned and lively presentation of the whole range of Plato's thought but with a particular emphasis upon how Plato developed his metaphysics with a view to supporting his deepest educational convictions The author explores the relation of Plato's metaphysics to the epistemological ethical and political aspects of Plato's theory of education and shows how Plato's basic positions bear directly on the most fundamental questions faced by contemporary education

PLATO THE TEACHER BEING SELECT Plato, Charlotte Lowe 1867-1948 Bryan, William Lowe 1860-1955 Bryan, Ed, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Plato Avi I. Mintz, 2018-03-08 This book opens by providing the historical context of Plato's engagement with education including an overview of Plato's life as student and educator The author organizes his discussion of education in the Platonic Corpus around Plato's images both the familiar the cave the gadfly the torpedo fish and the midwife and the less familiar the intellectual aviary the wax tablet and the kindled fire These educational images reveal that for Plato philosophizing is inextricably linked to learning that is philosophy is fundamentally an educational endeavor The book concludes by exploring Plato's legacy in education discussing the use of the Socratic method in schools and the Academy's foundational place in the history of higher education The characters in Plato's dialogues often debate sometimes with great passion the purpose of education and the nature of learning The claims about education in the Platonic corpus are

so provocative nuanced insightful and controversial that educational philosophers have reckoned with them for millennia

Plato the Teacher Plato, Charlotte Lowe Bryan, 2016-05-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Plato the Teacher William H. F. Altman, 2012-02-16 In this unique and important book William Altman shines a light on the pedagogical technique of the playful Plato especially his ability to create living discourses that directly address the student Reviving an ancient concern with reconstructing the order in which Plato intended his dialogues to be taught as opposed to determining the order in which he wrote them Altman breaks with traditional methods by reading Plato's dialogues as a multiplex but coherent curriculum in which the Allegory of the Cave occupies the central place His reading of Plato's Republic challenges the true philosopher to choose the life of justice exemplified by Socrates and Cicero by going back down into the Cave of political life for the sake of the greater Good The

Palgrave Handbook of Educational Thinkers Brett A. Geier, 2024-08-21 This handbook presents a durable comprehensive and up to date resource covering the seminal thinkers in education of past and present Each entry will capture the professional background of a legendary thinker and presents their key insights new thinking and major legacies to the field of education Carefully brought together to present a balance of gender and geographical contexts as well as areas of thought and work in the broad field of education this handbook provides a unique history and overview of figures who have shaped education and educational thinking throughout the world PLATO THE TEACHER William Lowe 1860-1955 Bryan, Plato, Charlotte a.

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Plato the Teacher** Plato, William Lowe Bryan, Charlotte A Bryan, 2016-05-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Plato the Teacher** Plato, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Plato the Teacher** Plato, 2015-12-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant On the Socratic Education Christopher Bruell, 2003-04-08 Can the education which so many search for today on our college campuses be found in the works of a past author On the Socratic Education An Introduction to the Shorter Platonic Dialogues uncovers the education that Socrates sought on his own behalf and in so doing made available to others Sixteen dialogues are discussed each considered on its own but also placed within the context of Plato s account of the Socratic quest The aim of the book is to make Socrates investigation and resolution of the questions that still concern us as

human beings more accessible to serious contemporary readers *The Education of the Young in the Republic of Plato* Plato, 2013-01 In partnership with the University of South Carolina Press the Simms Initiatives at the University of South Carolina Libraries reissue authoritative editions of out of print works by William Gilmore Simms antebellum South Carolina s preeminent man of letters Full content from these volumes will also be available online via www.sc.edu/library As part of the inaugural effort the six volumes of The Letters of William Gilmore Simms first published by USC Press between 1952 and 1982 are also being reissued in their first paperback editions Each volume also includes a new scholarly introduction **A Companion to Ancient Education** W. Martin Bloomer, 2015-06-23 A Companion to Ancient Education presents a series of essays from leading specialists in the field that represent the most up to date scholarship relating to the rise and spread of educational practices and theories in the ancient Greek and Roman worlds Reflects the latest research findings and presents new historical syntheses of the rise spread and purposes of ancient education in ancient Greece and Rome Offers comprehensive coverage of the main periods crises and developments of ancient education along with historical sketches of various educational methods and the diffusion of education throughout the ancient world Covers both liberal and illiberal non elite education during antiquity Addresses the material practice and material realities of education and the primary thinkers during antiquity through to late antiquity *Plato, Time, and Education* Brian P. Hendley, 1988-01-01 This collection of original essays pays tribute to the man by exploring topics that have interested him through a long and productive career Plato s mathematical imagery his theory of perception the role of engineering techne in the origin of Greek science time and free will in Kant Whitehead as teacher of teachers mapping friendships Kierkegaard and the necessity of forgery These and other topics are given fresh treatments meant to stimulate further philosophical thinking in the spirit of Brumbaugh himself

Plato Robin Barrow, 2014-10-23 Plato was the first and most formidable thinker to recognise that education is a fiercely contested concept and to point out what great social and personal issues are at stake in education He articulated a compelling argument for a liberal arts education as something peculiarly befitting free and autonomous beings He understood the centrality of education for human well being and flourishing And he was the first to set forth a systematic theory of education In this text Robin Barrow concisely and convincingly establishes the continuing relevance of Plato s views to debates on such issues as nature vs nurture or genetic inheritance vs social background philosophy vs sophistry or the pursuit of true understanding vs the pursuit of reputation or perhaps simply truth vs politics and the media Questions concerning the fair distribution of education moral education value judgments and human nature are explored along with themes more specifically associated with Plato s philosophy such as the Theory of Ideas The whole is embedded in a clearly presented account of the historical background to Plato s thought

Recognizing the exaggeration ways to get this books **Platos Socrates As Educator** is additionally useful. You have remained in right site to begin getting this info. get the Platos Socrates As Educator member that we give here and check out the link.

You could purchase guide Platos Socrates As Educator or acquire it as soon as feasible. You could speedily download this Platos Socrates As Educator after getting deal. So, past you require the book swiftly, you can straight acquire it. Its fittingly unquestionably simple and suitably fats, isnt it? You have to favor to in this heavens
