The Cloud of Unknowing Evelyn Underhill,2007-05-01 Unlike many mystics who celebrate ecstasies visions voices the scent of strange perfumes and the hearing of sweet sounds he believed that the key to a closer relationship with God required private thought and prayer and the elimination of all other distractions He distrusted psychic phenomena believing they were the accidents rather than the substance of the contemplative life and quite possibly the work of the Devil He felt that such hallucinations led only to self deception and brought the believer no closer to God Humorous at times and written in plain English *The Cloud of Unknowing* is intended for the general reader especially the beginner in contemplation unsure about how to overcome initial difficulties British writer of prose and poetry EVELYN UNDERHILL 1875 1941 was a fellow of King s College for Women and King s College and was the first woman to lecture to the clergy in the Church of England Through her radio appearances and her stint as editor of the political magazine *The Spectator* she was a familiar voice in British public life between the wars She authored more than 30 books some under the pseudonym John Cordelier including *Concerning the Inner Life and Radiance A Spiritual Memoir* **The Publishers Weekly** ,2004 *Butler's Lives of the Saints* Bernard Bangley,2005 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler s multi volume *Lives of the Saints* presents a modernized text for today s reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler s daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler s distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten **Encyclopedia of Religion** Jones Lindsay,2005 *Library Journal* Melvil Dewey,Richard Rogers Bowker,L.
