

## PRAYER RADIATING CHRIST

Dear Jesus,  
help me to spread Your fragrance wherever I go.  
Flood my soul with Your spirit and life.  
Penetrate and possess my whole being so utterly,  
that my life may only be a radiance of Yours.

SHINE THROUGH ME,  
and be so in me that every soul I come in contact with  
may feel Your presence in my soul.  
Let them look up and see no longer me, but only Jesus!

Stay with me and then  
I SHALL BEGIN TO SHINE AS YOU SHINE,  
so to shine as  
TO BE A LIGHT TO OTHERS.  
The light, O Jesus, will be all from You; none of it will be mine.  
It will be you, shining on others through me.

Let me thus praise You the way You love best,  
by shining on those around me.  
Let me preach You without preaching,  
not by words but by my example,  
by the catching force of the sympathetic influence of what I do,  
the evident fullness of the love my heart bears to You.

Amen.

St. John Henry Newman

## **Radiating Christ:**

**Radiating Christ** Raoul Plus, 2003-06 To be a Christ is the whole meaning of Christianity To radiate Christ is the whole meaning of the Christian Apostolate But to be a Christ for one's own personal benefit is not enough we have to Christianize those around us in a word we have to radiate Christ There are so many holy people that have radiated Christ in our times but none as powerfully and effectively as Pope John Paul II and Mother Theresa of Calcutta May we be granted the gift to radiate Christ This beautiful book lays a foundation to help us to radiate and Christianize our fellow man especially in these times of decadence and non believing Christians **YOU CAN MAKE A DIFFERENCE** Edward D. Andrews, 2017-11-20 In You Can Make a Difference Why and How Your Christian Life Makes a Difference the transformative power of faith is explored through the lens of everyday believers who like the biblical heroes of yore have the potential to shape their world through their spirituality and actions Drawing inspiration from figures like David Nehemiah Deborah Esther and the Apostle Paul the book reveals how a Christian life can positively influence others This book provides practical insights and inspiration for Christians who strive to live a life of service and make a lasting impact It underlines the importance of a spiritual attitude courageous faith and service to others By using biblical principles and personal anecdotes the book elucidates how each believer no matter how ordinary has the potential to be an extraordinary force of change From fostering community and radiating Christ's love to empowering others through discipleship You Can Make a Difference guides readers on a journey of spiritual growth and service It serves as a reminder that even small gestures can ripple out to create significant change and that living out Jesus teachings is a joyous responsibility This book is an uplifting call to action for all Christians to embody their faith encouraging them to step into their role as difference makers with grace courage and joy Regardless of whether you touch ten lives or just one this book will inspire you to live out your Christian life with an understanding that you can and will make a difference Mother Teresa: Come Be My Light Mother Teresa, Brian Kolodiejchuk, 2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history Mother Teresa During her lifelong service to the poorest of the poor Mother Teresa became an icon of compassion to people of all religions her extraordinary contributions to the care of the sick the dying and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world Little is known however about her own spiritual heights or her struggles This collection of her writing and reflections almost all of which have never been made public before sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time Compiled and presented by Fr Brian Kolodiejchuk M C who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center Mother Teresa brings together letters she wrote to her spiritual advisors over decades A moving chronicle of her spiritual journey including moments indeed years of utter desolation these letters reveal the secrets she shared only with her closest confidants She emerges as a classic mystic whose inner life burned

with the fire of charity and whose heart was tested and purified by an intense trial of faith a true dark night of the soul If I ever become a Saint I will surely be one of darkness I will continually be absent from Heaven to light the light of those in darkness on earth Mother Teresa     *The Gospel of Matthew (Catholic Commentary on Sacred Scripture)* Curtis Mitch, Edward Sri, 2010-12-01 Examine the New Testament from within the living tradition of the Catholic Church This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture CCSS which will cover the entire New Testament The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition NABRE References to the Catechism the Lectionary and related biblical texts Theological insights from Church fathers saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written the CCSS aims to help readers understand their faith more deeply nourish their spiritual life and share the good news with others     **Christ Alive in Me: Living as a Member of the Mystical Body** Fr. David Meconi, S.J., 2021-08-16 It is no longer I who lives but Christ who lives in me Galatians 2 20 Giving God permission to dwell within us thereby transforming us into another incarnate son or daughter has been at the heart of the Christian Gospel for millennia It is not just one theological doctrine among many it is the ultimate goal of the entire Christian life The only goal in God s becoming human is to continue his life in ours In *Christ Alive in Me Living as a Member of the Mystical Body* Fr. David Meconi S.J. explains the theology of Christian deification which is also the theology of the Mystical Body of Christ Although this radical aspect of the Gospel has been forgotten by many today Meconi seeks to reclaim this central truth and uncover what it means live with in and even as Christ Discover what it is to become other Christs living extensions of the Lord himself to become his eyes and ears his heart and words his hands and feet on earth     **A Call to Mercy** Mother Teresa, 2018-09-04 Published to coincide with Pope Francis s Year of Mercy and the Vatican s canonization of Mother Teresa this new book of unpublished material by a humble yet remarkable woman of faith whose influence is felt as deeply today as it was when she was alive offers Mother Teresa s profound yet accessible wisdom on how we can show mercy and compassion in our day to day lives For millions of people from all walks of life Mother Teresa s canonization is providentially taking place during Pope Francis s Extraordinary Jubilee of Mercy This is entirely fitting since she is seen both inside and outside of the Church as an icon of God s mercy to those in need Compiled and edited by Brian Kolodiejchuk M.C. the postulator of Mother Teresa s cause for sainthood *A Call to Mercy* presents deep yet accessible wisdom on how we can show compassion in our everyday lives In her own words Mother Teresa discusses such topics as the need for us to visit the sick and the imprisoned the importance of honoring the dead and informing the ignorant the necessity to bear our burdens patiently and forgive willingly the purpose to feed the poor and pray for all the greatness of creating a civilization of love

through personal service to others Featuring never before published testimonials by people close to Mother Teresa as well as prayers and suggestions for putting these ideas into practice A Call to Mercy is not only a lovely keepsake but a living testament to the teachings of a saint whose ideas are important relevant and very necessary in the 21st century **A Gentle Thunder** Max Lucado,2012-08-27 Find hope as you learn to hear God s voice and realize He is searching for you How far do you want God to go in getting your attention Don t answer too quickly Give it some thought What if God moved you to another land As he did Abraham What if he called you out of retirement Remember Moses How about the voice of an angel or the bowel of a fish la Gideon and Jonah God does what it takes to get our attention It s the message of the Bible It s the message of this book the relentless pursuit of God God on the hunt God in the search Peeking under the bed for hiding kids stirring the bushes for lost sheep Searching wrestling pulling us back to him over and over again Kind then stern Tender and tough Faithfully firm Patiently urgent Eagerly tolerant Softly shouting Gently thundering With pictures and parables from everyday life Max Lucado calls us to trust God in tough times God s goal Max reminds us is to get us home safely He ll do whatever it takes to save his children God s thunder is gentle And his gentleness never ends If you need a reminder of God s love an assurance of his strength an example of his kindness A Gentle Thunder will help you hear a message of hope as you realize God has been trying to get your attention all along **The Message of Aquaria** Curtiss FH and HA,2022-08-20 The Significance and Mission of the Aquarian Age **Metropolitan Pulpit and Homiletic Monthly** ,1885 Tell the Truth Will Metzger,2011-03 Will Metzger s training manual on the message and methods of God centered evangelism is now in its third edition This revised and expanded version of the original guide published in 1981 is written to address the concern that many Christians entrusted with the gospel message have forgotten the message and their responsibility to accurately convey it The recovery of a God centered and grace centered gospel is imperative says Will Metzger In the third edition of his critically acclaimed training manual he expands on the topics of grace and worship And he emphasizes the centrality of sovereign saving grace that completely exalts God In addition he offers a narrative approach to witnessing with the story Come Home training materials for Christians who want to learn God centered evangelism and a study guide on evangelism suitable for individuals or groups More than ever Tell the Truth is ready to serve the church as a comprehensive accessible and effective guide to God centered evangelism **The Word** ,1916 From Milk to Meat Adam Field,2021-03-16 Are you tired of being told what you want to hear Do you want to hear what you need to hear Do you want the unhindered truth A diet of deserts won t leave you healthy We desperately need what will make us strong for the days ahead These devotionals are packed with the nutrition that every disciple needs in order to face all that life throws at us None of these writings are the infallible word of God and must not be read more than the Bible These devotionals can supplement challenge and equip you to align with God on this journey of following Christ As Paul hoped that the Corinthian church would grow from milk to meat 1 Corinthians 3 2 3 so it is my desire for all that I come in contact with to grow in their faith so that we are ready for the

The Art of Being Human William McNamara, 2018-09-03 In THE ART OF BEING HUMAN Father McNamara has taken a new vital approach to effective socially oriented Christian living in tune with the needs and demands of our times He takes for his theme the basic traditional truth grace builds upon rather than destroys human nature and develops this theme with extraordinary understanding and eloquence The first chapter Becoming Human sets the tone of the book For Father McNamara the sanctifying process is the humanizing process and the way by which one can cultivate the art of being human within oneself He then probes into the very roots of the conditioning processes which daily shape our lives and poses for the reader some incisive questions which demand reflection and inner search Discussions on faith hope love religion mental prayer and spiritual growth follow The final chapters on leisure and leadership are especially provocative since they direct the reader's attention to where the responsibility for the self accomplishment of this art truly lies Father McNamara has the knack of putting his finger directly on the problems of today's living THE ART OF BEING HUMAN does not pretend to have all the answers but it goes a long way toward taking the reader in the right direction Here is a book to read to ponder and to act as its message challenges us to do Magnificat
