Radical Images:

Images of Power Jens Andermann, William Rowe, 2006-09-01 In Latin America where even today writing has remained a restricted form of expression the task of generating consent and imposing the emergent nation state as the exclusive form of the political was largely conferred to the image Furthermore at the moment of its historical demise the new postmodern forms of sovereignty appear to rely even more heavily on visual discourses of power However a critique of the iconography of the modern state form has been missing This volume is the first concerted attempt by cultural historical and visual scholars to address the political dimension of visual culture in Latin America in a comparative perspective spanning various regions and historical stages The case studies are divided into four sections analysing the formation of a public sphere the visual politics of avant garde art the impact of mass society on political iconography and the consolidation and crisis of territory as a key icon of the state

The Civil War and the Press S. Kitrell Rushing, 2023-06-14 The power of the American press to influence and even set the political agenda is commonly associated with the rise of such press barons as Joseph Pulitzer and William Randolph Hearst at the turn of the century The latter even took credit for instigating the Spanish American War Their power however had deeper roots in the journalistic culture of the nineteenth century particularly in the social and political conflicts that climaxed with the Civil War Until now historians have paid little attention to the role of the press in defining and disseminating the conflicting views of the North and the South in the decades leading up to the Civil War In *The Civil War and the Press* historians political scientists and scholars of journalism measure the influence of the press explore its diversity and profile the prominent editors and publishers of the day The book is divided into three sections covering the role of the press in the prewar years throughout the conflict itself and during the Reconstruction period Part 1 *Setting the Agenda for Secession and War* considers the rise of the consumer society and the journalistic readership the changing nature of editorial standards and practice the issues of abolitionism secession and armed resistance as reflected in Northern and Southern newspapers the reporting on John Brown s Harper s Ferry raid and the influence of journalism on the 1860 election results Part 2 *In Time of War* includes discussions of journalistic images and ideas of womanhood in the context of war the political orientation of the Jewish press the rise of illustrated periodicals and

issues of censorship and opposition journalism The chapters in Part 3 Reconstructing a Nation detail the infiltration of the former Confederacy by hundreds of federally subsidized Republican newspapers editorial reactions to the developing issue of voting rights for freed slaves and the journalistic mythologization of Jesse James as a resister of Reconstruction laws and conquering Unionists In tracing the confluence of journalism and politics from its source this groundbreaking volume opens a wide variety of perspectives on a crucial period in American history while raising questions that remain pertinent to contemporary tensions between press power and government power The Civil War and the Press will be essential reading for historians media studies specialists political scientists and readers interested in the Civil War period *Public Policy*

Analysis William N. Dunn, 2015-07-22 Public Policy Analysis the most widely cited book on the subject provides readers with a comprehensive methodology of public policy analysis Starting from the premise that policy analysis is an applied social science discipline designed for solving practical problems facing public and nonprofit organizations the book bridges the gap between theory and practice It provides practical skills for conducting policy analysis and communicating findings through memos position papers and other forms of structured analytical writing The book asks readers to critically analyze the arguments of policy practitioners as well as political scientists economists and political philosophers **Electron**

Ferriss, 2023-01-12 The Bloomsbury Handbook to Sofia Coppola offers the first comprehensive overview of the director's impressive oeuvre It includes individual chapters on her films including The Virgin Suicides 1999 Lost in Translation 2003 Marie Antoinette 2006 Somewhere 2010 The Bling Ring 2013 The Beguiled 2017 and On the Rocks 2020 While focused on her films contributors also consider Coppola's shorter works for television commercials and music videos as well as explorations of the distinct elements of her signature style cinematography production costume design music and editing Additional chapters provide insights into the influences on her work its popular and scholarly reception and interpretations of key themes and issues The international team of contributors includes leading scholars of film music fashion celebrity and

gender studies visual and material culture reception studies as well as industry professionals Their interdisciplinary insights capture the complexities of Coppola's work and its cultural significance *Art and Design in 1960s New York* Amanda Gluibizzi, 2021-02-26 *Art and Design in 1960s New York* explores the mutual influence between fine art and graphic design in New York City during the long decade of the 1960s Beginning with advertising's creative revolution and its relationship to pop artists the book traces design and art's developing interest in responses to civic problems such as the proliferation of billboards navigation through the city's streets and subways and issues of deteriorating infrastructure The strategies exploited by these artists and designers resulted in similar approaches to visual imagery and shared techniques for thinking about and responding to the city in which they lived *Fashion and Feeling* Roberto Filippello, Ilya Parkins, 2023-05-16 *Fashion and Feeling* The Affective Politics of Dress explores the complex nexus of fashion and the feeling body from a variety of critical perspectives across fashion studies anthropology sociology design practice and media studies It asks such questions as What does fashion look and feel like in an age dominated by amplified anxiety isolation depression and precariousness How are feelings woven into clothing and mobilized through fashion practices in ways that might sustain living with a sense of ongoing crisis Does fashion have the potential to help us reimagine new lifeworlds which might be reinvigorating In other words how is fashion engaging with the bad the good and the ambivalent feelings associated with our personal and collective histories with our troubled political present and with our imagined future Despite such diverse and scattered contributions the potentialities of feeling for the study of fashion are still largely neglected This edited volume seeks to tease out possible avenues of investigation of the clothed body and its representations through the lens of feeling

Displacing the Divine Douglas Alan Walrath, 2010-05-12 For more than forty years Douglas Alan Walrath has tracked changing patterns of belief and church participation in American society and his research has revealed a particularly fascinating trend portrayals of ministers in American fiction mirror changing perceptions of the Protestant church and a Protestant God from publisher description *Official Gazette of the United States Patent Office* United States. Patent Office, 1969 **What is the Genus?** Patrick Popescu-Pampu, 2016-08-26 Exploring several of the evolutionary branches of the mathematical notion of genus this book traces the idea from its prehistory in problems of integration through algebraic curves and their associated Riemann surfaces into algebraic surfaces and finally into higher dimensions Its importance in analysis algebraic geometry number theory and topology is emphasized through many theorems Almost every chapter is organized around excerpts from a research paper in which a new perspective was brought on the genus or on one of the objects to which this notion applies The author was motivated by the belief that a subject may best be understood and communicated by studying its broad lines of development feeling the way one arrives at the definitions of its fundamental notions and appreciating the amount of effort spent in order to explore its phenomena **A Companion to German Cinema** Terri Ginsberg, Andrea Mensch, 2012-02-13 *A Companion to German Cinema* *A Companion to German Cinema*

regards the shifting terrain of German filmmaking and film studies against their larger social contexts with twenty two newly commissioned essays by well established and younger scholars in the field While several of these focus on classic topics such as Weimar cinema Fifties cinema New German Cinema and its legacy and Holocaust film the collection is distinguished by its focus on new developments and the innovative light they may shed on earlier practices A Companion to German Cinema includes essays on Berlin Film Neue Heimat Film New Comedy post Wall documentaries the post Wende RAF genre and Rabenmutter imagery as well as on the persistently overlooked and under theorized Indianerfilme post AIDS documentaries sexploitation films and new multicultural and transnational films produced in Germany under the auspices of the European Union Organized into three movements representing the significance of these developments for their aesthetic theorization A Companion to German Cinema challenges its readers to address critical gaps in the field with the aim of opening it further onto new terrains of intellectual engagement

Battleground: Sports Michael Atkinson, 2008-12-30 Mega events like the Olympics the World Cup of soccer the World Series of baseball cycling s Tour de France and the Super Bowl draw our attention to the deep cultural significance of sport and its role in fostering social bonds Yet when it comes to sport there is no shortage of debate stereotypes regarding sexuality race gender and children have been hotly contested by critics for over 40 years Even today sport is one of the very few socially accepted sites of violence intense competition and controlled forms of social disorder Battleground Sports presents the 100 most contentious public and private controversies of the sports world Highlighted throughout are debates surrounding ethnicity gender sexuality and social identity sports fan behavior as well as the role of governments and corporations Engaging and accessible to a wide variety of readers this fascinating reference illustrates how sports controversies reflect the historically enduring and changing nature of our broader cultures and the social battles we engage on a day to day basis surrounding the struggles for equality debates about social violence the ethics of competition the politics of civic life the creation of global communities and the State s role in protecting citizens Entries contain an array of thoughtful perspectives on historic and current controversies and allow readers to formulate their own conclusions Enhanced with a timeline a thorough guide of print and electronic resources for high school and undergraduate student research this one stop reference goes beyond the newspaper headlines to provide readers with a guide map for understanding what sport controversies teach us about our culture and ourselves Jayne Cortez, Adrienne Rich, and the Feminist Superhero

Laura Hinton, 2016-03-25 One a lyric confessional poet and essayist the other a jazz spoken word performance artist Adrienne Rich and Jayne Cortez were American feminist superheroes who produced extensive bodies of poetic work that reveal strangely overlapping visions but in radically different voices and poetic styles This book reconsiders the poetry activism of Cortez and Rich side by side engaging poetics theory cultural studies and popular media in its literary analyses A collection of eight integrated chapters by multiple poetry critics as well as an artist statement narrative by Wonder Woman sculptor Linda Stein the book focuses upon the voice of bravado the various calls for global justice and Third

Wave feminist intersectional critiques all embodied within these two women's poetic texts. The book also examines the twentieth-century figure of the American superhero, particularly Wonder Woman, bringing popular culture studies into conversation with literary criticism as well as visual art through the inclusion of Stein's commentary and illustrations. This beautiful and compelling book experiments with the festschrift concept by inviting multiple and competing disciplinary views on U.S. feminist poetics, women's art and aesthetics, racial and sexual identities as well as politics and performance, all in tribute to the power of poetry by Cortez and Rich.

The Routledge Companion to Marketing and Feminism Pauline Maclaran, Lorna Stevens, Olga Kravets, 2022-02-25

This comprehensive and authoritative sourcebook offers academics, researchers, and students an introduction to and overview of current scholarship at the intersection of marketing and feminism. In the last five years, there has been a resurrection of feminist voices in marketing and consumer research. This mirrors a wider public interest in feminism, particularly in the media as well as the academy, with younger women discovering that patriarchal structures and strictures still limit women's development and life opportunities. The F word is back on the agenda, made high profile by campaigns such as MeToo and TimesUp. There is a noticeably renewed interest in feminist scholarship, especially amongst younger scholars, and significantly insightful interdisciplinary critiques of this new brand of feminism, including the identification of a neoliberal feminism that urges professional women to achieve a work-family balance on the back of other women's exploitation. Consolidating existing scholarship while exploring emerging theories and ideas which will generate further feminist research, this volume will be of interest to researchers, academics, and students in marketing and consumption studies, especially those studying or researching the complex inter-relationship of feminism and marketing.
