Radical Political Economy Howard Jay Sherman, 1972

Capitalism, Socialism and Radical Political Economy Howard J. Sherman, Robert Pollin, 2000 This volume of new original essays reflects the lifelong concerns and writings of the person they honor Professor Howard Sherman Sherman wrote on a wide range of topics the causes of recessions depressions and mass unemployment under capitalism the difficulties and challenges of establishing viable democratic planning systems under socialism the down to earth realities of economic life in the United States the Soviet Union and elsewhere and the theoretical traditions he drew upon to inform these empirical studies i e Keynesianism institutionalism and most especially Marxism The contributors follow in Sherman s tradition through their careful analysis of topics such as the long term trends in contemporary global capitalism the relationship between Marxism and institutionalism debates over the usefulness of class analysis the political economy of financial liberalization lessons from the demise of socialism in the Soviet Union and China and the possibilities for advancing a workable egalitarian economic agenda This book demonstrates the continued vibrancy and relevance of radical political economy as a mode of social scientific analysis Scholars and students in economics sociology history philosophy and political science will find the essays thought provoking and informative

Theories Of Comparative Politics Ronald H Chilcote, 2018-02-12 Extensively revised and updated this classic text revisits the central problem of searching for mainstream and alternative paradigms to guide us in comparative political inquiry Building upon the first edition s comprehensive and systematic overview of frameworks ideologies and theories the second edition highlights new directions and developments over the past decade including the continuation of an ideological political science methodological innovations such as rational choice historical and postbehavioural approaches new emphases on and links between political culture and participation the recasting of modernization theory and the revitalization of class analysis and a thoroughgoing post Keynesian political economy point of view The second edition continues the tradition of the first in updating what one reviewer commended as outstanding excellent annotated bibliographies at the end of each chapter and the thorough survey of the general literature of comparative politics at the end of the book In addition the new edition includes an appendix of definitions that facilitate clarity and understanding of political science terminology important for students at every level from the introductory on up In a post Cold War world in which challenges to comparative inquiry abound ethnic conflict authoritarian repression state building and disintegration new industrialization and postindustrialization security systems redefined the search for new paradigms that Theories of Comparative Politics represents gains in importance daily

Karl Marx and Friedrich Engels (RLE Marxism) Cecil L. Eubanks, 2015-04-17 The project to publish the works of Marx and Engels continues and this book published in 1984 puts together a comprehensive bibliography of their works either written in or translated into English including books monographs articles chapters and doctoral dissertations

together with the works of their interpreters The inclusion of the secondary literature makes this a particularly valuable bibliography and contributes greatly to the understanding of the thought of Marx and Engels

The Political Economy of Change Norman T. Uphoff, Warren F. Ilchman, 2018-04-17 Ilchman and Uphoff believe that political science has failed in the past to meet its own standards of rigor and cogency and does not meet standards of usefulness and relevance set by others The Political Economy of Change attempts to remedy these shortcomings by expanding the limits of social science analysis to deal with problems of allocation and productivity in all spheres of public choice not just the economic sphere
