

# Radical Right

- Radical right (neoliberalism) said welfare state ruining the economy
- Hayek\ Friedman (leading figures)
- Social welfare a cost (waste) not an investment
- People on welfare as bludgers
- replace public services with private markets and volunteers (a 'big society')

# Radical Right And The Welfare State

**Ann-Cathrine Jungar**

## **Radical Right And The Welfare State:**

How the Radical Right Has Changed Capitalism and Welfare in Europe and the USA Philip Rathgeb, 2024 Combining insights from comparative politics party politics comparative political economy and welfare state research the book provides novel insights into how the radical right manufactures consent for authoritarian rule **The Radical Right and the Welfare State** Howard Glennerster, James Midgley, 1991 For much of this century governments have accepted the principle of state responsibility for the welfare of its citizens in spite of ideological differences about the appropriate scale of state activity some role has been assumed by all governments During the last decade however this view has been seriously challenged by radical thinkers from the political right who have argued that state sponsored welfare of any kind is inimical to economic growth prosperity and social progress The ideas of this radical right have found practical expression through the policies of sympathetic governments and international agencies Much of the current debate about welfare provision now revolves around whether radical right wing prescriptions have resulted in marginal changes or major modifications which will persist for years to come The need to examine the extent of the impact of radical right wing ideas on welfare provision is the basis of this major new collection of specially commissioned articles The book investigates the prevalence of these ideas through a wider international and comparative approach looking at the experiences of Canada Germany Chile and Israel as well as Britain and the USA The country studies are set in context with a comprehensive theoretical and historical account of welfare consensus and the rise and social welfare proposals of the radical right and a concluding chapter which draws together the case study material and looks ahead to the future of the welfare state ideal **Radical Right-Wing Populism in Western Europe** Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today *The Radical Right* Klaus Wahl, 2019-10-31 This book analyses the rise in xenophobia racism and radical right political parties movements and violent groups over recent years The author provides a summary of the current state of international and interdisciplinary research on the multilevel explanations of right wing radical thought comparing similarities and differences across Europe and the United States By integrating findings from psychology history social and life sciences he proposes a biopsychosociological model of the conditions causes catalysts and triggers of phenomena of the radical right across the world Following a demand and supply analysis Wahl explores the interaction of evolutionary emotional mechanisms and socialization processes with various environmental conditions and consequent manifestations of radical right groups to identify strategies to slow down the rise and effects of the radical right **The Far-Right in World Politics** Alexander Anievas, Richard Saull, 2024-11-01 This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South The rise of far right forms of politics in recent years

throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics indicating a common set of enabling conditions and characteristics. It is this unprecedented context in the history of the post war liberal international order that this edited volume aims to address. In doing so it brings together a diverse range of scholars many of whom have developed an internationally recognized expertise in the study of the far right and International Relations (IR). Reflecting a plurality of methodological and theoretical perspectives the chapters cover a variety of theoretical and conceptual issues including analyses of different geopolitical and national expressions of the contemporary far right. Notwithstanding such diversity the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations especially with respect to the development of and crises within the contemporary international order. From this perspective the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and reproduced within the sinews of an evolving liberal international order even as the far right also represents an antagonism to some elements of said order. Providing a much needed global perspective this book will be of great interest to students and scholars of populism far right politics conservatism and international relations. The chapters in this book were originally published as a special issue of *Globalizations* and are accompanied by a new epilogue.

#### **The Radical Right in Eastern Europe** Michael

Minkenberg, 2017-05-08 This book is a comparative analysis of the post communist East European radical right both in party and non party formation using the West European radical right as a baseline. Minkenberg offers insights into the political field of the radical right since the onset of democracy in the region and elicits region wide and country specific characteristics. The book argues that due to the nature of the transition process from Soviet hegemony to national independence and from communist to democratic societies and the unfinished process of nation building in the region the radical right in Eastern Europe is a phenomenon *sui generis* both organizationally more fluid and ideologically more extreme than the Western counterpart. The issues covered include trends in party system and electoral developments patterns of movement mobilization and racist activism and the impact of the radical right on their countries politics and policies.

**The Developing of the Radical Rights in France** Edward J. Arnold, 2000-05-23 This book traces the origins and evolution of extreme right wing thought in France from the end of the nineteenth century to the present day. It establishes the presence of an ideological tradition or organicist exclusive nationalism initiated at the end of the nineteenth century which adapts itself to the post First World War and re emerges forcibly during the Occupation. Elements of this same tradition are present in the modern discourse of the extreme right in post war France. This helps the student of modern French politics to see movements like the Front National in their historical perspective.

#### **The Nordic Populist Radical Right** Ann-Cathrine Jungar, 2024-08-05

This edited volume examines populist radical right parties in the Nordic region. Somewhat surprisingly given the image of a consensual egalitarian and progressive region of Europe the Nordic countries have been fertile ground for the radical right.

Not only have radical right parties persisted for many decades but they are currently much stronger in this region than in most other European countries today In this book the contributors analyse the electoral ideological and organisational aspects of the radical right in the Nordic region The Progress Party in Norway Fremskrittspartiet FrP the Sweden Democrats Sverigedemokraterna SD Danish People s Party Dansk Folkeparti DF and the Finns party Perussuomalaiset PS It also explores how mainstream parties and the media have reacted to the rise of the radical right whether the radical right is integrated into mainstream politics the extent to which they challenge the dominant ideological paradigm of Nordic politics and whether they mobilise and organise differently to other parties Understanding the Nordic radical right is crucial to comprehending the transformation of Nordic politics but also changes in European politics more generally This book will be of interest to students and scholars of Scandinavian politics populism the radical right and comparative party politics

The Routledge Handbook of Far-Right Extremism in Europe Katherine Kondor, Mark Littler, 2023-09-12 The Routledge Handbook of Far Right Extremism in Europe is a timely and important study of the far and extreme right wing phenomenon across a broad spectrum of European countries and in relation to a selected list of core areas and topics such as anti gender identitarian politics hooliganism and protest mobilisation The handbook deals with the rise and the developments of far right movements parties and organisations across diverse countries in Europe Crucially it discusses the main topics and issues pertaining to far right ideology and positioning and considers how central and less central actors of far right milieus have fared within the given context Comprising a wide range of subject expertise the contributors focus on far right organisations on the margins of the electoral sphere as well as street level movements and the relationship between them and electoral politics The handbook spans nearly twenty European country cases grouped according to geographical regional area It includes case studies where the far right has gained increased momentum as well as countries where it has been much less successful in mobilising public opinion and the electorate e g Ireland and Portugal Another important feature is the inclusion of street level mobilisations such as football firms thereby expanding and updating existing research which is primarily focused on political parties and organisations Multidisciplinary and comprehensive this handbook will be of great interest to scholars and students of Criminology Political Science Extremism Studies European Studies Media and Communication and Sociology This project has received funding from the European Union s Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 101029801

**The Repoliticization of the Welfare State** Ian P McManus, 2022-07-12 The Repoliticization of the Welfare State grapples with the evolving nature of political conflict over social spending after the Great Recession While the severity of the economic crisis encouraged strong social spending responses to protect millions of individuals governments have faced growing pressure to reduce budgets and make deep cuts to the welfare state Whereas conservative parties have embraced fiscal discipline and welfare state cuts left wing parties have turned away from austerity in favor of higher social spending These political differences represent a return of

traditional left right beliefs over social spending and economic governance This book is one of the first to systematically compare welfare state politics before and after the Great Recession arguing that a new and lasting post crisis dynamic has emerged where political parties once again matter for social spending At the heart of this repoliticization are intense ideological debates over market regulation social inequality redistribution and the role of the state The book analyzes social spending dynamics for 28 countries before and after the crisis It also includes in depth country case studies representing five distinct welfare state types Germany the United Kingdom Sweden Spain and the Czech Republic

**The Populist Radical Right and Health** Michelle Falkenbach, Scott L. Greer, 2021-09-07 This contributed volume is the first in depth analysis of the health policies of populist radical right PRR parties worldwide and their actual involvement in health care The prominence of authoritarian nationalistic and populist parties is expanding steadily However it is often difficult to discern what kind of policies they really stand for particularly with regard to the welfare state and public health where research remains sparse This book fills this critical gap The text connects PRR parties and leaders with actual health and social policy effects in Eastern and Western Europe as well as in the United States Brazil and the Philippines The chapters highlight ten individual country case studies authored by young scholars and professors with political science and health experts The Austrian Freedom Party in Government A Threat to Public Health The Alternative for Germany AfD and Health Policy Normalization or Containment of Populist Radical Right Tendencies Populist Radical Right Influence on Health Policy in the Netherlands The Case of the Party for Freedom PVV The Evolution of the Populist Radical Right and Their Impact on Health in Italy The Populist Radical Right and Health in Hungary Is the Polish Law and Justice PiS a Typical Populist Radical Right Party A Health Policy Perspective The Case of the United Kingdom Independence Party UKIP Rhetoric and Reality in the United States of America Trump Populism and Health Policy Ruling Through Chaos in Brazil Bolsonaro s Authoritarian Agenda for Public Health An Authoritarian Reaction to COVID 19 in the Philippines A Strong Commitment to Universal Health Care Combined with Violent Securitization The Populist Radical Right and Health is exceptionally timely and essential reading for political science and health colleagues researching and writing about PRR parties and leaders students and faculty in public health health and social policy and political science and anyone interested in learning more about this topic

**Theoretical Criminology from Modernity to Post-Modernism** Wayne Morrison, 2014-12-18 This book incorporates many of the exciting debates in the social sciences and philosophy of knowledge concerning the issues of modernity and post modernism It sets out a new project for criminology a criminology of modernity and offers a sustained critique of theorizing without a concern for social totalities This book is designed to place criminological theory at the cutting edge of contemporary debates Wayne Morrison reviews the history and present state of criminology and identifies a range of social problems and large scale social processes which must be addressed if the subject is to attain intellectual commitment This book marks a new development in criminological texts and will serve a valuable function not only for students and academics

but for all those interested in the project of understanding crime in contemporary conditions      **Handbook on the Political Economy of Social Policy** Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research      Freedom and Security T. Fitzpatrick, 1999-06-23 A basic income would be an income paid periodically and unconditionally to every man woman and child as a fundamental right of citizenship and without reference to employment marital and household status It would be a means of ensuring the twin objectives of freedom and security for all This book provides an introduction to the basic income debate examining a range of arguments for and against and so will be of interest to anybody concerned with the future direction of the welfare state      Citizenship, Diversity and Pluralism Alan Cairns, 1999 Citizenship has both a vertical and a horizontal dimension The vertical links individuals to the state by reinforcing the idea that it is their state that they are full members of an ongoing association that is expected to survive the passing generations Accordingly their relation to the state is not narrowly instrumental but is supported by a reservoir of loyalty and patriotism that gives legitimacy to the state The horizontal relationship is the positive identification with fellow citizens as valued members of the same civic community Here citizenship reinforces empathy and sustains solidarity through its official endorsement of who counts as one of us Citizenship therefore is a linking mechanism that in its most perfect expression binds the citizenry to the state and to each other In Citizenship Diversity and Pluralism leading scholars assess the transformation of these two dimensions of citizenship in increasingly diverse and plural modern societies both in Canada and internationally Subjects addressed include the changing ethnic demography of states social citizenship multiculturalism feminist perspectives on citizenship aboriginal nationalism identity politics and the internationalisation of human rights Alan C Cairns is adjunct professor of political science at the University of Waterloo and author of *Charter versus Federalism The Dilemmas of Constitutional Reform* John C Courtney is professor of political science at the University of Saskatchewan and author of *Do Conventions Matter Choosing National Party Leaders in Canada* Peter MacKinnon is president of the University of Saskatchewan and has served as president of both the Canadian Association of Law Teachers and the Council of Canadian Law Deans Hans J Michelmann is professor of political science and acting associate dean Academic of the College of Arts and Science at the University of Saskatchewan David E Smith is professor of political studies at the University of Saskatchewan

*The Rise of the Radical Right in the Global South* Rosana Pinheiro-Machado, Tatiana Vargas-Maia, 2023-05-31 The Rise of the Radical Right in the Global South is the first academic study adopting an interdisciplinary and international perspective to offer a comprehensive and groundbreaking framework for understanding the emergence and consolidation of different

radical right movements in Global South countries in the twenty first century From deforestation and the anti vaccine movement in Bolsonaro s Brazil to the massacre of religious minorities in Modi s India the rise of the radical right in the Global South is in the news every day Not long ago some of these countries were globally celebrated as emerging economies that consolidated vibrant democracies Nonetheless they never overcame structural problems including economic inequality social violence cultural conservatism and political authoritarianism Featuring case studies from Brazil India the Philippines and South Africa and more generally from Africa and Latin America this book analyses future scenarios and current alternatives to this political movement to the radical right It proposes a shift of focus in examining such a trend adopting a view from the Global South conventional theoretical tools developed around the experience in Global North countries are not enough The authors show that the radical right in the Global South should be analysed through specific lenses considering national historical patterns of political and economic development and instability They also warn that researching these countries may differ from contexts where democratic institutions are more reliable This does not mean abandoning a transnational understanding of the radical right rather it calls for the opposite the chapters examine how the radical right is invented adapted modified and resisted in specific regions of the globe This volume will be of interest to all those researching the radical right and the politics of development and the Global South

**The Radical Right in Switzerland** Damir Skenderovic,2009 There has been a tendency amongst scholars to view Switzerland as a unique case and comparative scholarship on the radical right has therefore shown little interest in the country Yet as the author convincingly argues there is little justification for maintaining the notion of Swiss exceptionalism and excluding the Swiss radical right from cross national research His book presents the first comprehensive study of the development of the radical right in Switzerland since the end of the Second World War and therefore fills a significant gap in our knowledge It examines the role that parties and political entrepreneurs of the populist right intellectuals and publications of the New Right as well as propagandists and militant groups of the extreme right assume in Swiss politics and society The author shows that post war Switzerland has had an electorally and discursively important radical right since the 1960s that has exhibited continuity and persistence in its organizations and activities Recently this has resulted in the consolidation of a diverse Swiss radical right that is now established at various levels within the political and public arena

**Right-Wing Populism in Europe** Ruth Wodak,Majid KhosraviNik,Brigitte Mral,2013-03-28 Right wing populist movements and related political parties are gaining ground in many EU member states This unique interdisciplinary book provides an overall picture of the dynamics and development of these parties across Europe and beyond Combining theory with in depth case studies it offers a comparative analysis of the policies and rhetoric of existing and emerging parties including the British BNP the Hungarian Jobbik and the Danish Folkeparti The case studies qualitatively and quantitatively analyse right wing populist groups in the following countries Austria Germany Britain France Sweden Norway Denmark Italy Netherlands Hungary Belgium Ukraine Estonia and Latvia

with one essay exclusively focused on the US This timely and socially relevant collection will be essential reading for scholars students and practitioners wanting to understand the recent rise of populist right wing parties at local countrywide and regional levels in Europe and beyond This timely and socially relevant collection will be essential reading for scholars students and practitioners wanting to understand the recent rise of populist right wing parties at local countrywide and regional levels in Europe and beyond **The Far-Right, Education and Violence** Michael A. Peters, Tina

Besley, 2020-10-19 In the last decade the far right associated with white nationalism identitarian politics and nativist ideologies has established itself as a major political force in the West making substantial electoral gains across Europe the USA and Latin America and coalescing with the populist movements of Trump Brexit and Boris Johnson's 2019 election in the UK This political shift represents a major new political force in the West that has rolled back the liberal internationalism that developed after WWI and shaped world institutions globalization and neoliberalism It has also impacted upon the democracies of the West Its historical origins date from the rise of fascism in Italy Germany and Austria from the 1920s In broad philosophical terms the movement can be conceived as a reaction against the rationalism and individualism of liberal democratic societies and a political revolt based on the philosophies of Nietzsche Darwin and Bergson that purportedly embraced irrationalism subjectivism and vitalism This edited collection of essays by Michael A Peters and Tina Besley taken from the journal Educational Philosophy and Theory provides a philosophical discussion of the rise of the far right and uses it as a canvas to understand the return of fascism white supremacism acts of terrorism and related events including the refugee crisis the rise of authoritarian populism the crisis of international education and Trump's end of globalism

**Researching the Far Right** Stephen D. Ashe, Joel Busher, Graham Macklin, Aaron Winter, 2020-11-09 Researching the Far Right brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature

## **Radical Right And The Welfare State Introduction**

In today's digital age, the availability of Radical Right And The Welfare State books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Right And The Welfare State books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Right And The Welfare State books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Right And The Welfare State versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Right And The Welfare State books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Right And The Welfare State books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Right And The Welfare State books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Right And The

Welfare State books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Right And The Welfare State books and manuals for download and embark on your journey of knowledge?

### **FAQs About Radical Right And The Welfare State Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
